## AGENDA ITEM 7

### AGENDA ITEM

Calendar Year 2014 Field Enforcement Activity Report and Ten-Year Field Activity Summary

### GENERAL MANAGER'S RECOMMENDATION

Receive a presentation about the Calendar Year 2014 Miscellaneous Enforcement Activity Summary and the Ten-Year Field Activity Summary.

### SUMMARY

This report provides a summary of the enforcement and emergency response activities on District lands. Detailed information about activities which occurred in calendar year 2014 is provided, with historical information about the preceding nine years provided for perspective.

The total violations on District property (including both District Ordinances and non-District Ordinances) decreased by 4% over calendar year 2013. However, 2013 was an unusually active year (see Appendix C), and the chart below includes information about the average for the nine years prior to 2014 (2005 – 2013), which shows that violations increased 10.9% over the nine year average.

	2013	2014	% Change	Prior 9 Year Average	Change from Prior 9 Year Average
District Violations	1,974	1,917	-2.9%	1,713	11.9%
Non-District Violations	176	146	-17.0%	147	-0.6%
Total Violations	2,150	2,063	-4.0%	1,860	10.9%

### DISCUSSION

Since April 1995, staff has provided the Board written monthly reports on emergency incidents and enforcement activities on District land. At the end of each calendar year, the Board receives a summary for that year as well as a comparison with previous years.

Information for this year's report was generated from the Incidents Database, which was placed in service for data collection on January 1, 2010. In reviewing changes from prior years, it is important to understand that differences in record keeping systems can account for different counts in the violations.

Before 2010, the creation of this report primarily relied on manual data collection methods, which were more prone to error and had more limited data collection capabilities. For 2009, and prior years, data was imported from the old system. Work continues to refine the database to collect the desired information and improve the presentation of data and analysis from the system.

Three summaries are presented for Board review: the CY2014 Miscellaneous Enforcement Activity Summary (Appendix A); the Ten-Year Field Activity Summary (Appendix B.1); a summary of the actual violation codes, listed in order of frequency of occurrence (Appendix B.2). Note that information for prior years in Appendix B.2 is not necessarily complete. Graphical representation of trends is shown in appendices C and D.

The Miscellaneous Enforcement Activity Summary (Appendix A) lists for the past year, contacts made or reports taken by staff of potentially serious, violent, or other criminal activity on or near District land. This is not a comprehensive list of incidents but reflects incidents of special interest or concern. Events which posed special concern for ranger safety or were unusual in nature are included.

The Ten-Year Field Activity Summary includes violations of District Land Use Regulations, emergency responses, criminal activity, and mutual aid incidents. Only contacts that resulted in some form of written record, such as a District incident report, written warning, citation, or mutual aid assistance report have been included in these summaries. General assistance to preserve visitors, informational contacts, and verbal warnings have not been included.

### Trends and Issues

In comparison to 2013, 2014 saw a decrease in the number violations recorded in all categories (District ordinances, non-District Ordinances and parking violations), as well as a decrease in the number of accidents. There was also a decrease in the number of fatalities on District lands (from seven in 2013 to three in 2014).

The number of citations issued to people decreased from 735 in 2013 to 617 in 2014 (-16.1%). However, the average for the prior nine years was 550 per year, so citation issuance increased by 12.2% over this average.

There was a drop in bicycle violations in comparison to both 2013 and to the prior nine-year average.

	2005	2006	2007	2008	2009	2010	2011	2012	2013	2014	Prior 9 Year Average	Change from Prior 9 Year Average
1. Bike - closed area	49	74	75	58	84	76	70	80	62	65	70	-6.8%
2. Bike - speed	117	85	89	85	103	67	72	59	90	66	85	-22.6%
3. Bike - helmet	119	151	153	142	156	129	91	78	142	93	129	-27.9%
4. Bike - night riding	26	18	12	12	25	13	17	17	39	9	20	-54.7%
5. Bike - unsafe operation	29	43	67	64	73	1	2		6	1	36	-97.2%
<b>TOTAL BICYCLE VIOLATIONS</b>	<b>340</b>	<b>371</b>	<b>396</b>	<b>361</b>	<b>441</b>	<b>286</b>	<b>252</b>	<b>234</b>	<b>339</b>	<b>234</b>	<b>336</b>	<b>-30.3%</b>

Dog violations decreased from 396 in 2013 to 298 in 2014; though there was a 5.8% increase in the number of dogs being in prohibited areas. Leash law violations decreased by 40.7%.

Because of limitations in the old data collection system there is not as detailed information about

prior years for dog violations, but the average for dog off leash violations is 204 incidents over the prior nine-year period. The average number incidents of dogs in prohibited areas are 100 incidents.

	2013	2014	% Change
Dogs Prohibited [701.1(b)]	139	147	5.8%
Dogs Off Leash [701.1(c)]	246	146	-40.7%
Off Leash Area [701.1(d)]	2	0	
Nuisance Dog [701.1(e)]	0	1	
Pets/dogs on 6 foot leash or radio collar/voice control [SC CO]	9	4	-55.6%
<b>Total Dog Violations</b>	<b>396</b>	<b>298</b>	<b>-24.7%</b>

District rangers continued their focus on reducing the number of off-road vehicle incidents (District Ordinance 802.1). Those had reached a high of 38 in 2010 and have declined since then. However, they did increase slightly in 2014 over the previous year, with 17 incidents in 2013 and 21 incidents in 2014.

Violations of District ordinances continue to be the main issues which District rangers deal with. The most common violations continue to be after-hours use, entry to closed areas (principally Mt. Umunhum) and dog violations. The most common violations are illustrated in Appendix B.2.

Due to retirements, promotions, and an extended medical leave for a staff member, the ranger force was not fully staffed for the 2014 calendar year.

#### Court Appearances by District Rangers

During the Board's discussions regarding proposed changes to the District's Land Use Ordinances and Bail Schedule (see reports R-14-06 and R-14-09) questions were raised about the impact which the higher fine amounts, caused by the Courts' addition of increased penalty assessments and other fees, might have on the number of times District rangers were required to go to court because a citation was appealed. In response to the Board's questions staff began tracking the number of court appearances by District rangers and developed the following information for 2014.

Violation	Number of Incidents	Number of Citations Issued	Number of Court Appeals	Percentage of Citations Appealed
500.1 - Trail Use Speed Limit	66	23	7	30.4%
502.1 - Closed Area - Bicycle	65	32	2	6.3%
502.3(b) - Helmet Possession Required	7	2	1	50.0%
701.1(b) - Dog in prohibited area	147	87	1	1.1%
701.1(c) - Dog Leash Required	146	94	3	3.2%
803.2 - Reckless Driving	6	3	1	33.3%
805.2(a) - Enter Closed Area (Infraction)	212	152	10	6.6%
805.3 - After Hours	336	165	8	4.8%
<b>Total for Listed Violations</b>	<b>985</b>	<b>558</b>	<b>33</b>	<b>5.9%</b>
<b>Total Number of citations issued:</b>		<b>664</b>	<b>33</b>	<b>5.0%</b>

Staff feel that the relatively low rate (5%) of citations which are appealed to court mean that the current bail schedule is appropriate for the violations, even with the additional amounts levied by the courts.

**FISCAL IMPACT**

No fiscal impact is anticipated from the acceptance of this information.

**PUBLIC NOTICE**

Public notice was provided by the Brown Act. No further notice is required.

**CEQA COMPLIANCE**

This proposed action is not a project under the California Environmental Quality Act and no environmental review is required.

**NEXT STEPS**

Staff will continue to actively enforce District regulations, encourage all users to act in a manner which provides for the protection of the natural resources, and allows for the safe and enjoyable use of the preserves by all visitors.

### OCCURRENCES OF SPECIAL INTEREST 2014

Page 5

DATE	PUBLIC SUMMARY	Rangers	Other Agency	#Staff
<b>January</b>				
<b>Jan 03</b> <i>AR 14F008</i>	A visitor found a jogger unconscious on the Farm Bypass Trail. The visitor called for help, and the farm maintenance worker, District rangers, and Santa Clara County fire and sheriffs responded. The visitor and farm maintenance worker started CPR. Advanced cardiac care was provided, the patient was transported by wheeled litter to a waiting ambulance. Staff later learned that the patient had not survived.  <a href="#">Preserve</a> Rancho San Antonio <a href="#">Location</a> Farm Bypass Trail	2	RM Amb. SCCF SCCSO	2 3 1
<b>Jan 09</b> <i>IR 14S018</i>	District rangers were called out after-hours on a report of a person possibly attempting suicide. The rangers met with Palo Alto Police personnel; a Santa Clara County Sheriff helicopter was also searching the area of the Black Mountain Campground. Police officers and a District ranger proceed to the campground where they found the individual in a tent.  The brother of the individual and a friend were in the parking lot and said the individual had left a note. On a previous trip he had also threatened to jump off a cliff. The individual was taken into custody by the Palo Alto Police for a mental evaluation.  <a href="#">Preserve</a> Monte Bello <a href="#">Location</a> Black Mountain Camp	2	PAPD SCCSO	4
<b>Jan 12</b> <i>MA 14F022</i>	A boater reported being in distress in San Francisco Bay. Six Menlo Park Fire department staff responded with their airboat. District rangers were requested to respond to the preserve where the airboat was launched. The airboat contacted the boat in distress and returned the boater to the Alviso launch ramp.  <a href="#">Preserve</a> Off District Lands - Foothills <a href="#">Location</a> Bay Road	2	MPF	6
<b>Jan 16</b> <i>IR 14S028</i>	A District maintenance supervisor looking at District boundaries on the internet, observed what he thought might be an encroachment onto District lands. A boundary bisects a pond where many improvements had been made. An outdoor kitchen and large stone slab eating table and seats area has been installed, as well as a pathway to a beach area of the pond where sand had been imported.  <a href="#">Preserve</a> Monte Bello <a href="#">Location</a> District boundary shared with the Leak property	1		
<b>Jan 17</b> <i>AR 14F025</i>	A subject was jogging and tripped hitting his head on a bridge handrail. The subject complained of paralysis. District rangers, Santa Clara County Fire Department, Rural Metro Ambulance, and Life Flight responded. Life Flight flew the subject to the hospital.  <a href="#">Preserve</a> Rancho San Antonio <a href="#">Location</a> Wildcat Loop Trail	2	LIFE RM Amb. SCCF	3 2 4
<b>Jan 19</b> <i>IR 14S033</i>	A District ranger on patrol observed an unattended stroller on the trail. When looking down toward the creek he observed a couple with children. The man was urinating close to the creek in plain view of the trail. He became very agitated and abusive, claiming he did not have to do what the ranger said, that he was going to leave and do whatever he wanted to do. He refused to provide identification and at that point the ranger called for backup and for the San Mateo County sheriff to respond.  The couple and children proceeded to leave the scene and hike toward the parking lot, all the while shouting how they did not have to obey the rangers instructions. After the group arrived at the ranger's patrol truck the ranger showed his District ranger identification to the man, at which point the individual produced his California driver's license. A citation was issued and the man scribbled "rediculous" across the citation before signing it. He stated he was taking the rangers information so that he could file a complaint and file a lawsuit.  <a href="#">Preserve</a> Purisima Creek Redwoods <a href="#">Location</a> Whittemore Gulch Trail and creek area	3	SMCSO	1

## OCCURRENCES OF SPECIAL INTEREST 2014

DATE	PUBLIC SUMMARY	Rangers	Other Agency	#Staff
<b>Jan 30</b> <i>MA 14F044</i>	<p>A District ranger stopped on the freeway for a car which was on fire. The ranger was unable to put the fire out with the hand held extinguisher. Palo Alto Fire and Santa Clara County Fire Department responded and extinguished the fire. CHP directed traffic and assisted with scene safety.</p> <p><a href="#">Preserve</a> Off District Lands - Foothills</p> <p><a href="#">Location</a> Hwy 280</p>	1	CHP PAF SCCF	1 3 4
<b>February</b>				
<b>Feb 01</b> <i>AR 14S043</i>	<p>District rangers copied radio traffic of a bicycle accident in the preserve and responded to the scene. The patient had hit something on the trail sending him off his bike. He had landed on his head.</p> <p>The patient was unconscious for an estimated three to four minutes. When the ranger arrived at the scene the patient was being wheeled up the trail by fire personnel to a waiting helicopter which flew him to a hospital. A riding companion was wearing a GoPro camera and had recorded the entire episode which was shown to the District ranger.</p> <p><a href="#">Preserve</a> El Corte de Madera Creek</p> <p><a href="#">Location</a></p>	2	LIFE SMCF	
<b>Feb 09</b> <i>IR 14F050</i>	<p>While on patrol in a closed area of the preserve, District rangers heard approximately 300 gunshots which were fired over a period of approximately 45 minutes. Three rangers searched the area and surrounding roadsides, but were not able to find the location where the shots were being fired from. The most likely location was a remote ridgeline.</p> <p><a href="#">Preserve</a> Sierra Azul</p> <p><a href="#">Location</a></p>	3		
<b>Feb 10</b> <i>IR 14F051</i>	<p>A District ranger heard a loud whistle from within a closed area of the preserve. Rangers checked the area. A baseball hat and water bottle were located on the road, which were not there when the rangers started their search. A subject was located, hunched over and moving down a drainage. When ordered to stop the individual ran from the rangers. He was not located again.</p> <p><a href="#">Preserve</a> Sierra Azul</p> <p><a href="#">Location</a></p>	3		
<b>Feb 13</b> <i>MA 14S051</i>	<p>A District ranger was flagged down by a group of road bicyclists and advised that one of their group had crashed and broken his collar bone. The ranger requested Palo Alto Fire for medical aid, provided medical care and oxygen and kept the patient comfortable. The patient transported to hospital by ambulance.</p> <p><a href="#">Preserve</a> Off District Lands - Skyline</p> <p><a href="#">Location</a> Page Mill Road 2 miles east of Highway 35</p>	2		
<b>Feb 16</b> <i>IR 14S054</i>	<p>While on patrol, District rangers observed a couple laying on the side of a hill after-hours. The male was naked from the waist down and on top of the female. The couple was asked to get dressed and were walked back to their vehicle at the Windy Hill picnic tables where other rangers were waiting. Both individuals were cited for the after-hours violations and released.</p> <p><a href="#">Preserve</a> Windy Hill</p> <p><a href="#">Location</a></p>	3		
<b>Feb 18</b> <i>IR 14F058</i>	<p>A District ranger stopped a vehicle driving within the preserve. The ranger cited the driver for a vehicle-prohibited violation. A passenger said they had entered the preserve using his padlock that had been added to the District's gate. The padlock and keys were taken as evidence. The ranger discovered that putty had been placed in the District locks at three preserve gates to make them unusable.</p> <p><a href="#">Preserve</a> Sierra Azul</p> <p><a href="#">Location</a></p>	1		

OCCURRENCES OF SPECIAL INTEREST 2014

DATE	PUBLIC SUMMARY	Rangers	Other Agency	#Staff
<b>Feb 20</b> <i>IR 14F059</i>	A District ranger attempted to stop a subject for a bicycling after-hours violation. The subject fled. Santa Clara County Sheriff and Los Gatos Police were requested. At one point the subject fell from his bike, but got back up and continued to flee. The ranger continued to try and stop the individual, who refused to stop. Two other rangers checked the area but were unable to locate the individual.  <a href="#">Preserve</a> St. Joseph's Hill <a href="#">Location</a>	3		
<b>Feb 22</b> <i>IR 14F072</i>	District rangers found some golf clubs in the preserve. A label on the clubs had the name of the owner, and listed a golf course in southern California. The ranger followed up and located the owner. The clubs have been stolen seven months before. The owner was contacted and the golf clubs returned.  <a href="#">Preserve</a> Sierra Azul <a href="#">Location</a>	1		
<b>Feb 22</b> <i>MA 14S062</i>	The Skyline Field Office received a phone call from a volunteer trail patrol member who reported that there were two saddled horses running loose in the Monte Bello Preserve. District and City of Palo Alto rangers responded and began a search for the horses and their riders. A mountain bicyclist at Grizzly Flat reported that she had returned the two stray horses to their riders. The mountain bicyclist also said that there had been a total of three horses and riders involved. Two of the horses had been spooked by a loose rope and bucked the riders off.  One of the riders had hiked out and driven himself to the Saratoga Summit Fire Station where he was treated and released. The ranger followed him back to the Grizzly Flat trailhead where he met up with the other riders. A second patient complained of minor neck pain.  <a href="#">Preserve</a> Off District Lands - Skyline <a href="#">Location</a> Upper Stevens Creek Co. Park, Grizzly Flat Trailhead	4	CDF SCCP	1
<b>Feb 23</b> <i>IR 14F062</i>	A visitor complained to a District ranger about subjects illegally using a disabled parking placard. Rangers contacted the subjects who were unable to state a specific person in their group that the placard belonged to. The vehicle was issued a disabled vehicle parking citation. The ranger confiscated the placard.  <a href="#">Preserve</a> Rancho San Antonio County Park <a href="#">Location</a>	2		
<b>March</b>				
<b>Mar 06</b> <i>IR 14S070</i>	A neighbor in the area of the preserve reported hearing motorcycles in the preserve and also finding fresh motorcycle tracks. District rangers responded to the area and were unable to find any suspects but did find evidence of motorcycles in the preserve. The reporting party also relayed his information to the San Mateo County Sheriff's office.  <a href="#">Preserve</a> El Corte de Madera Creek <a href="#">Location</a> Near Gate CM06 and Gate CM08	3		
<b>Mar 07</b> <i>AR 14S071</i>	District rangers were informed of a vehicle accident which had damaged the fence at the Hawthorns property. A vehicle failed to stop at the intersection and had broken through the property boundary chain link fence. The driver was cited by San Mateo County Sheriff's deputies for driving under the influence. District rangers responded to the scene to take a report.  <a href="#">Preserve</a> Windy Hill <a href="#">Location</a> Alpine Road at Portola Road	2	SMCSO WFD	2 1

## OCCURRENCES OF SPECIAL INTEREST 2014

DATE	PUBLIC SUMMARY	Rangers	Other Agency	#Staff
<b>Mar 07</b> <i>IR 14F083</i>	Two District rangers responded to a report of a rider-less horse in the preserve. The rangers met a group of people with the horse on Stevens Canyon Road. The owner of the horse arrived a few moments later. The owner stated he had left the horse tied up at the winery while he had a glass of wine, and thought that someone had untied the horse.  Preserve Picchetti Ranch Location Zinfandel Trail	2		
<b>Mar 10</b> <i>IR 14S076</i>	A District ranger was flagged down by people at the Windy Hill picnic area on Skyline Blvd., who reported they had seen two men in the preserve carrying a bow and arrows. Weapons are prohibited on District lands. The men had entered the preserve on the Anniversary Trail, but were then seen leaving the trail and heading down into the Hamms Gulch drainage.  The men were located by rangers several hundred feet down from the trail. When contacted the men stated they were just target practicing and were new to the area. The owner of the bow and arrows was cited for the weapons violation and the other person in the group was given a written warning.  Preserve Windy Hill Location	3		
<b>Mar 13</b> <i>MA 14S078</i>	A District ranger copied radio traffic of a motorcycle/vehicle accident. When the ranger arrived the other agencies were already on scene and requested the ranger establish a helicopter landing zone. Unfortunately the patient died at the scene, and the helicopter was cancelled. The ranger then performed traffic control until relieved by CHP personnel.  Preserve Off District Lands - Skyline Location Highway 35, 1.5 miles south of Alpine Road	1	CDF CHP SMCCOR SMCF	4 1
<b>Mar 15</b> <i>IR 14S084</i>	A neighbor on the preserve notified Mountain View Dispatch of finding District signs with gun shots in them. The responding District ranger found two signs had been damaged. One sign had 17 bullet holes and the other sign had 21 bullet holes. Another neighbor stated he had been riding in the area a few days prior and had not noticed the signs being defaced. In searching the area, the ranger found another private property sign also with bullet holes. All three signs appeared to have been shot with the same caliber gun.  Preserve Miramontes Ridge (Formerly Mills Creek) Location Madonna Creek Ranch	2		
<b>Mar 21</b> <i>IR 14F101</i>	A District ranger stopped and cited one subject for a closed area violation and warned them for fishing. The person was observed in the pond, fishing from a float tube. He admitted to crawling under a fence to access the area.  Preserve Bear Creek Redwoods Location Bear Creek Redwoods Pond	1		
<b>Mar 22</b> <i>IR 14F107</i>	A District employee discovered a new irrigation line in a closed area of a preserve. Rare native plants had been cut around the line. The employee notified a District ranger of the irrigation line. The ranger completed a report and notified the Santa Clara County Sheriff Marijuana Enforcement Team.  Preserve Sierra Azul Location Newhagen Meadow	1		
<b>Mar 30</b> <i>IR 14S099</i>	A District ranger made a vehicle stop in the preserve for reckless driving. A visitor was seen driving in the parking lot spinning donuts with a group of other people. He was cited for reckless driving and released. The rest of the group were given verbal warnings.  Preserve Skyline Ridge Location Equestrian parking lot	2

<b>May 10</b> <i>IR 14S135</i>	While on patrol, District rangers observed two visitors walking with a dog off leash. A companion walking with the owner of the dog told the owner she didn't have to answer any of the ranger's questions and proceeded to leave the scene. She was verbally abusive, calling the ranger several names. She was informed that resisting, delaying or obstructing a peace officer was a misdemeanor. When she attempted to walk away again, dispatch was contacted to start San Mateo Sheriff's office to the scene. The woman finally signed the citation, but refused to take her copy which was given to the companion who stated she would give it to the suspect.  <a href="#">Preserve</a> Windy Hill <a href="#">Location</a>	2		
<b>May 10</b> <i>IR 14F142</i>	Department of Fish and Wildlife wardens saw an underage person drinking in his vehicle. The wardens attempted to stop the vehicle which fled down the road. The vehicle hit a guardrail and stopped. A District ranger, California Highway Patrol officers, and Sheriff's deputies also responded. The warden cited the driver for DUI, drinking while underage, driving without a license, evading a peace officer, and reckless driving. A Sheriff's deputy drove the subjects to be picked up by a parent. The vehicle was towed.  <a href="#">Preserve</a> Sierra Azul <a href="#">Location</a> Mt. Umunhum Road	1	CA F&W CHP SCCSO	2 2 2
<b>May 12</b> <i>IR 14F146</i>	District rangers, Cal Fire, Rural Metro paramedics, and California Highway Patrol officers responded to a report of a vehicle that had driven off of a District road. Cal Fire determined that the vehicle was unoccupied. CHP determined that the vehicle had been stolen. CHP planned to remove the vehicle the next day.  <a href="#">Preserve</a> Sierra Azul <a href="#">Location</a> Loma Prieta Road	2	CDF CHP RM Amb.	13 1 2
<b>May 17</b> <i>IR 14F152</i>	A District ranger stopped a juvenile for a closed area violation. The ranger contacted the juvenile's father who advised that the juvenile was wanted for assaulting his sister with a crowbar/deadly weapon. The ranger requested a Sheriff's deputy response and handcuffed the juvenile, then waited approximately one hour for a Sheriff's deputy to respond and take custody of the minor. The deputy transported the juvenile to San Jose and transferred him to a San Jose Police Department officer.  <a href="#">Preserve</a> Sierra Azul <a href="#">Location</a> Almaden Air Force Station	2	SCCSO	1
<b>May 18</b> <i>IR 14S139</i>	A District ranger driving into work observed fireworks containers in the parking lot. He informed an on-duty District ranger who went to the scene and found detonated fireworks consisting of five tubes and two boxes of sparklers lying on the ground inside the parking lot. No suspects were seen in the area.  <a href="#">Preserve</a> Los Trancos <a href="#">Location</a> Parking lot	2		
<b>May 31</b> <i>IR 14S153</i>	While on patrol District rangers found 10 marijuana seedling trays in the middle of the trail. Further along on the trail they also found a small amount of marijuana wrapped in paper. No one was seen in the area, and the objects appeared not to have been there very long. The materials were taken into custody by the rangers. Local law enforcement agencies were informed of the find.  <a href="#">Preserve</a> Monte Bello <a href="#">Location</a>	2		
<b>June</b>				
<b>Jun 08</b> <i>IR 14S157</i>	District rangers on patrol, observed a vehicle in the parking lot spinning donuts and breaking traction. The driver admitted he was spinning donuts and said he did it because "it was fun." The driver was cited for reckless driving and released.  <a href="#">Preserve</a> Skyline Ridge <a href="#">Location</a> Equestrian parking lot	2

<b>Sep 15</b> <i>IR 14S254</i>	While on patrol a District ranger discovered that a patrol road that has not been maintained for many years had been recently cleared. Additional clearing on the east side of Harrington Creek between the patrol road crossing and the private property to the north was also found. All fallen trees and brush had been removed from the road. Large fallen trees had cleared with a chainsaw, cut into rounds and in one case, rolled to the side of the road. Sawdust was still visible. Staff are investigating to determine who might be responsible.  <a href="#">Preserve</a> La Honda Creek <a href="#">Location</a> Inside gate LH02	1		
<b>Sep 17</b> <i>IR 14F255</i>	Two waterlines were discovered which were stealing water, at a high rate of flow, from a creek in the preserve. The pipes led the same resort which was involved in the September 11th incident. The pipes were removed and placed on the resort's property.  <a href="#">Preserve</a> Sierra Azul <a href="#">Location</a> Hendrys Creek / Lupin Lodge	2		
<b>Sep 29</b> <i>IR 14F293</i>	A District ranger observed smoke emanating from a vehicle parked in the handicapped parking lot. Upon approaching the vehicle the ranger smelled a strong odor of marijuana. The person in the vehicle said that he was smoking marijuana and that he had more in the vehicle. The ranger had the man exit the vehicle, at which point a large bag of marijuana was observed. The ranger handcuffed the suspect for safety and called for assistance. A Santa Clara County Deputy arrived and the ranger cited the man for possession of more than an ounce of marijuana and released him. The marijuana was seized and booked into evidence.  <a href="#">Preserve</a> Sierra Azul <a href="#">Location</a> Jacques Ridge Parking Lot	1	SCCSO	1
<b>Sep 29</b> <i>IR 14F255</i>	Two District rangers returned to a location where water theft had occurred and found evidence of more illegal activity. A small dam had been constructed in the creek to divert water. Two T-post fence posts were vandalized and graffiti was carved into a split rail fence.  <a href="#">Preserve</a> Sierra Azul <a href="#">Location</a> Hendrys Creek / Lupin Lodge	2		
October				
<b>Oct 04</b> <i>IR 14F296</i>	A newly constructed parking lot, restroom facility and District sign were heavily vandalized with graffiti. Staff did extensive work to clean up the site prior to the opening ceremonies.  <a href="#">Preserve</a> Sierra Azul <a href="#">Location</a> SA08	1		
<b>Oct 04</b> <i>AR 14S259</i>	District rangers responded to the preserve when they received a report from Dispatch of a person having a seizure near the Monte Bello backpack camp. Witnesses reported the victim had fallen from her bike, hitting her head. She had been unconscious for approximately 17 minutes and seized for 45 seconds. When rangers arrived the patient was conscious and responsive to verbal stimuli, but only with moans and garbled words. Rangers performed an initial assessment and provided patient care while a witness held C-spine. A helicopter landing zone was established by a District ranger and the patient was airlifted to a local hospital.  <a href="#">Preserve</a> Monte Bello <a href="#">Location</a> Montebello Road, approx. 1.2 mi in from gate MB01	3	CALSTAR PAF PAPD PAR SCCF	

## OCCURRENCES OF SPECIAL INTEREST 2014

DATE	PUBLIC SUMMARY	Rangers	Other Agency	#Staff
<b>Oct 07</b> <i>IR 14S260</i>	<p>A District ranger contacted two visitors who were camping in the preserve parking lot after the preserve was officially closed. The ranger informed them they were in violation of the after-hours ordinance and were also not allowed to camp at that location. They said they were too tired to move and refused to leave.</p> <p>A supervising ranger was contacted and talked to one of the people and told the person that they were not allowed to camp at their location. They again refused to leave which led the ranger to start writing a citation. The man refused to give the ranger his address. Another District ranger arrived to assist and the two visitors eventually agreed to move. After signing the citations, both were released.</p> <p><b>Preserve</b> Purisima Creek Redwoods  <b>Location</b> Northridge parking lot</p>	1		
<b>Oct 12</b> <i>IR 14F298</i>	<p>An assault on a peace officer which led to injury occurred on Hicks Road in unincorporated Santa Clara County. A District ranger came upon a Santa Clara County deputy searching a suspicious vehicle and pulled over to see if he could be of assistance. The ranger recognized the truck and trailer from several days earlier and was going to attempt to exchange information with the deputy. The suspect was in the back of the patrol car when the ranger arrived. The deputy, having found methamphetamines during the search, went back to the car to put the suspect in handcuffs and place him under arrest. When the deputy opened the door, the suspect attacked him with his fists and attempted to take the deputies sidearm.</p> <p>The ranger grabbed one of the suspect's arms while the deputy had the other and, after wrestling him to the ground, the ranger and deputy were able to handcuff and control the suspect. The ranger then called for backup and for a medical response for the suspect who was bleeding. The ranger sustained some minor abrasions on his knees and was potentially exposed to blood-borne pathogens. The suspect was transported to the hospital.</p> <p><b>Preserve</b> Off District Lands - Foothills  <b>Location</b> Hicks Road, Los Gatos</p>	2	LGPD RM Amb. SJF SCCF SCCSO	2 2 3 3 6
<b>Oct 12</b> <i>MA 14F299</i>	<p>While on patrol, a District ranger saw something smoldering on the shoulder of the roadside in the duff. There were small flames approximately 2 - 3" high that had crept along to become approximately 12" wide and 8' in length. The ranger called for Santa Clara County Fire to respond and then put the fire out with the extinguisher from his vehicle.</p> <p><b>Preserve</b> Off District Lands - Foothills  <b>Location</b> SB Hwy 85 @ De Anza Exit</p>	1	CHP SVFD	
<b>Oct 17</b> <i>IR 14F255</i>	<p>While on patrol of the creek area, a diversion of water was discovered. Two District rangers spoke with the subject who explained that the water line in the creek was missed by the rangers when they were removing water lines and that he was the one who had attached the funnel to the end.</p> <p>He also stated that the resort he was associated with were the ones who had left a riding lawn mower in the preserve. He said that someone had removed the keys from the lawn mower's ignition and that he wanted to go into the preserve and get the mower back.</p> <p><b>Preserve</b> Sierra Azul  <b>Location</b> Hendrys Creek</p>	2		

## OCCURRENCES OF SPECIAL INTEREST 2014

DATE	PUBLIC SUMMARY	Rangers	Other Agency	#Staff
<b>Oct 19</b> <i>AR 14S264</i>	District rangers responded to the scene of a bicycle accident in the preserve. A bicyclist had lost control of his bike, going over the handlebars and landing on his head. Several other cyclists were tending to the patient. A District ranger first on scene and assessed the patient, administered oxygen, and coordinated with other agencies responding to the scene. The patient said he had pain in his left shoulder and his neck. He also complained of numbness in his left arm. Rangers set up a helicopter landing zone and the patient was airlifted to a local hospital.  Preserve Monte Bello Location	3	CALSTAR PAF SCCF SCRCF	
<b>Oct 21</b> <i>IR 14F255</i>	While on patrol in the preserve, two District rangers came upon further evidence of water diversion and petty theft violations. A game camera which had been mounted in a tree was also missing. The rangers checked the T-post fence at the property boundary and one T-post had been moved to gain access and a fresh motorcycle track adjacent to the fence was found. They also discovered new work on the east end of the hillside road cut. There were improvements to the 1 1/2" water diversion line and an additional brass valve had water flowing through it from an undetermined spring in the area. All of the valves were tagged and removed, all exposed lines were capped.  Preserve Sierra Azul Location Hendrys Creek	2		
<b>Oct 22</b> <i>IR 14S265</i>	District rangers discovered hundreds of small butane canisters dumped over the side of Highway 35 just north of Highway 9. Part of the dump site is on the Cal Trans easement and part is in the preserve. Cal Trans has been notified and has agreed to clean up the canisters. The Santa Clara County Sheriff was also notified because dumping was probably related illegal drug production. Butane is used in the production of a concentrated cannabis product known as "marijuana wax."  Preserve Saratoga Gap Location Hwy. 35	2	CAL TRANS SCCSO	
<b>Oct 26</b> <i>MA 14S267</i>	District staff responded to the parking lot where a bicyclist had been taken after crashing into a deer on Alpine Road. A passerby transported the patient to the parking lot where rangers, CHP, and fire responded. The patient complained of pain to the right shoulder and leg. He was transported by ambulance to a local hospital.  Preserve Off District Lands - Skyline Location Russian Ridge parking lot/Alpine Rd.	4	AMR CHP LHFD SMCF	
November				
<b>Nov 12</b> <i>AR 14F304</i>	A bicycle accident occurred in the preserve. While riding his bike down the trail, apparently faster than the posted 15 MPH speed limit, the rider lost control and crashed. He complained of pain in the center of his back, left shoulder, and that he had lost consciousness. District rangers and Santa Clara County Fire responded to treat the patient. The patient was put on a back board and transported to a landing zone where he was airlifted to a local hospital.  Preserve Sierra Azul Location	5	LIFE RM Amb. SCCF SCCP	2 2 3 1
<b>Nov 19</b> <i>IR 14F308</i>	While on patrol, a District ranger came across a small grave with animal remains buried approximately nine inches beneath. Someone had left a flower bouquet, a small skull, a white candle and some other items. The ranger left the animal buried and removed the gravesite items.  Preserve Sierra Azul - Cathedral Oaks Area Location	1		

## OCCURRENCES OF SPECIAL INTEREST 2014

DATE	PUBLIC SUMMARY	Rangers	Other Agency	#Staff
<b>Nov 27</b> <i>IR 14F312</i>	<p>A District ranger came back to the preserve parking lot and found the two rear tires on his patrol truck had been punctured and flattened. A second ranger called dispatch to request a tow.</p> <p><a href="#">Preserve</a> Sierra Azul  <a href="#">Location</a></p>	2		
<b>Nov 29</b> <i>AR 14S271</i>	<p>District rangers responded to the scene of an injury bicycle accident reported by San Mateo County Fire. The bicyclist was riding downhill, when the front wheel of his bicycle lost traction and he went over the handle bars. When the District ranger arrived the patient was on the ground in obvious pain, with three people trying to keep him as still as possible.</p> <p>A witness said that the patient was conscious but disoriented prior to going unconscious for about 10 minutes. The ranger met with the incident commander and took information from the witness and bystanders. The ranger assisted with packaging the victim who was transported by ambulance to a local hospital.</p> <p><a href="#">Preserve</a> El Corte de Madera Creek  <a href="#">Location</a></p>	2	CDF	
<b>December</b>				
<b>Dec 02</b> <i>IR 14S273</i>	<p>District rangers responded to a report of a vehicle stuck in the mud inside the preserve. Upon arrival, they discovered a paint delivery truck had made several wrong turns and was stuck on a very muddy trail. It was impossible to get a tow truck to the scene, so the paint truck was left at the scene until the trail had dried out enough to permit a tow truck in. The paint truck was finally extricated a week later.</p> <p><a href="#">Preserve</a> Windy Hill  <a href="#">Location</a></p>	1		
<b>Dec 20</b> <i>IR 14F314</i>	<p>One subject was stopped and cited for a dog off leash violation. The individual provided false information regarding his identity. After a lengthy and contentious discussion he finally gave the correct information. During the contact the individual said he would return the next day and would have his dog off leash again.</p> <p>During the contact the person claimed to be a retired police officer, and was upset about the delay caused by the ranger having to wait for dispatch to confirm the validity of his new information. He was issued a citation for the dog off leash and warned for giving false information to a peace officer.</p> <p><a href="#">Preserve</a> Pulgas Ridge  <a href="#">Location</a> Hassler Trail</p>	1		
<b>Dec 21</b> <i>AR 14S277</i>	<p>District rangers were requested by Palo Alto rangers to assist in locating a reported vehicle into a ditch on Page Mill Road. A District ranger located the accident, and was first on scene. The vehicle was located off the side of the road into Monte Bello Preserve. The uncle of the two juvenile passengers was driving when his brakes seemed to fail on a sharp turn. He applied the brakes vigorously making the car skid off the road. One of the juveniles was transported to a local hospital complaining of pain in his neck, legs and shoulders. The other juvenile passenger said he had no injuries along with the driver. There was no damage to District property.</p> <p><a href="#">Preserve</a> Monte Bello  <a href="#">Location</a> Page Mill Road</p>	2	PAF PAPD PAR	 1 2

# OCCURRENCES OF SPECIAL INTEREST 2014

DATE	PUBLIC SUMMARY	Rangers	Other Agency	#Staff
<b>Dec 24</b> <i>AR 14S278</i>	A District ranger observed two young women walking on Page Mill Road. The ranger stopped and asked them if they needed help. The two women told the ranger that they were waiting for a tow truck. They stated they had rolled their car off the road. The ranger located the vehicle approximately 75 feet into the preserve, sitting on all four tires. The car had rolled once. District rangers worked with Palo Alto rangers to provide scene safety while a tow truck removed the vehicle. While discussing the situation with the father of the driver, a small baggie of fresh marijuana was found on the ground. This was pointed out to the father.  Preserve Los Trancos Location Off Page Mill Road	1	PAR	2
<b>Dec 26</b> <i>IR 14S279</i>	Mountain View dispatch advised District rangers that San Mateo deputies were on their way for an overdue hiker in the preserve. Rangers launched a search of the immediate area with no results. The area was expanded to cover the greater part of the preserve with the same results. Rangers with the help of deputies tried to contact the missing party via cell phone, but the phone had been left in her companions car. A State Park ranger drove down Page Mill Road with no results. After several hours of searching, the missing party called her companion stating she was home and safe. Sheriff's deputies followed the companion to the missing party's home to verify her well being.  Preserve Russian Ridge Location Charquin Trail	4	CASP SMCSO	1 2
<b>Dec 30</b> <i>AR 14F316</i>	Two women were walking their dog down the trail when their dog saw another dog and dragged one of the women down the trail. The dog walker was dragged about 100 feet and heard a snap in her ankle. The dog walker told rangers that the dog was a service animal. The patient was transported to hospital.  Preserve St. Joseph's Hill Location Flume Trail	3	RM Amb. SCCF	2 3
<b>Dec 30</b> <i>AR 14F315</i>	A twelve year old boy was riding his bicycle behind his brother and saw his brother ride up an "eyebrow" on the side of the trail. When the twelve year old tried this he hit a piece of wood and crashed and injured his elbow and knee. A District ranger provided medical assistance and called the patient's mother and had her meet them at the parking lot to pick him up.  Preserve St. Joseph's Hill Location Manzanita Trail	1
