

AREA TEMPORARILY CLOSED

The southern area of Ravenswood Open Space Preserve is currently closed due to construction at Cooley Landing that includes site remediation and a new trail loop. This area and Cooley Landing are expected to open upon project completion in summer 2012 with improvements for visitor access and enjoyment.

The northern shoreline trail, which can be accessed from Highway 84, remains open. Please plan your trip accordingly.

For updates on trail conditions, check the District's web site at www.openspace.org. For more information on the Cooley Landing Project, visit <http://www.cooleylanding.org>.

Thank you for your patience.
