AGENDA ITEM

Consider Cancellation of the July 22, 2026, Regular Board Meeting of the Board of Directors

GENERAL MANAGER'S RECOMMENDATION

Approve cancellation of the July 22, 2026, Regular Board Meeting of the Board of Directors.

SUMMARY

During the summer months, staff reviews the Board calendar to ensure there are a sufficient number of meetings to complete Board business, recognizing that the summer timeframe is when many members of the public, Board, and staff take time off and are away from the area. Based on this review, the General Manager recommends cancelling the Regular Board Meeting of July 22, 2026. Board business during the summer months can be handled accordingly for either the prior Board meeting (July 8, 2026) or the subsequent Board meeting (August 12, 2026), with no resulting interruptions to business activities or project delivery. The next Regular Meeting of the Board will occur on August 12, 2026.
