

PRESERVE PLAN ELEMENTS

ELEMENT 1

PUBLIC USE + FACILITIES

GOALS

- A Promote, enhance and protect **wilderness values and opportunities for solitude**
- B Provide low-impact, high-value site-sensitive **interpretation and education activities**
- C Strive to provide **connections** with key Preserve **destinations** and adjacent open spaces and parks
- D **Actively involve the public** in the **use and management** of the Preserves to ensure that the legacy of a natural and protected environment be retained for future generations to enjoy
- E Provide regional and local **trail connections**

some
KEY ACTIONS

CREATE NEW+EXPAND PARKING AREA(S)

remove trees that block sight line

CREATE SAFE PEDESTRIAN CROSSINGS

connect to flat area

potential crossing location

MAINTAIN+EXPAND EDUCATIONAL PROGRAMS

IMPROVE EXISTING EASEMENTS TO INCREASE PUBLIC ACCESS

FORMALIZE ACCESS AND SCENIC VISTA POINTS

POPULOUS

PRESERVE PLAN ELEMENTS

ELEMENT 2

NATURAL RESOURCES

GOALS

- A Increase the acreage of **protected habitat and connectivity to wildlife corridors**
- B Protect **natural areas, corridors and habitat** that support diverse **biological resources**, are unique, and are important for the conservation of rare, threatened and endangered species
- C **Repair** and monitor **ecologically damaged and disturbed** areas within the Preserve
- D **Protect waterways** and associated natural lands to maintain **water quality**, watershed function, and **healthy aquatic habitat**

some
KEY ACTIONS

INCREASE+RELOCATE
BAT POPULATIONS

IDENTIFY TARGET
RESTORATION SITES

REDUCE SPREAD OF
SUDDEN OAK DEATH

TREAT+MANAGE INVASIVE
PLANTS

POPULOUS

PRESERVE PLAN ELEMENTS

ELEMENT 3

CULTURAL RESOURCES

GOALS

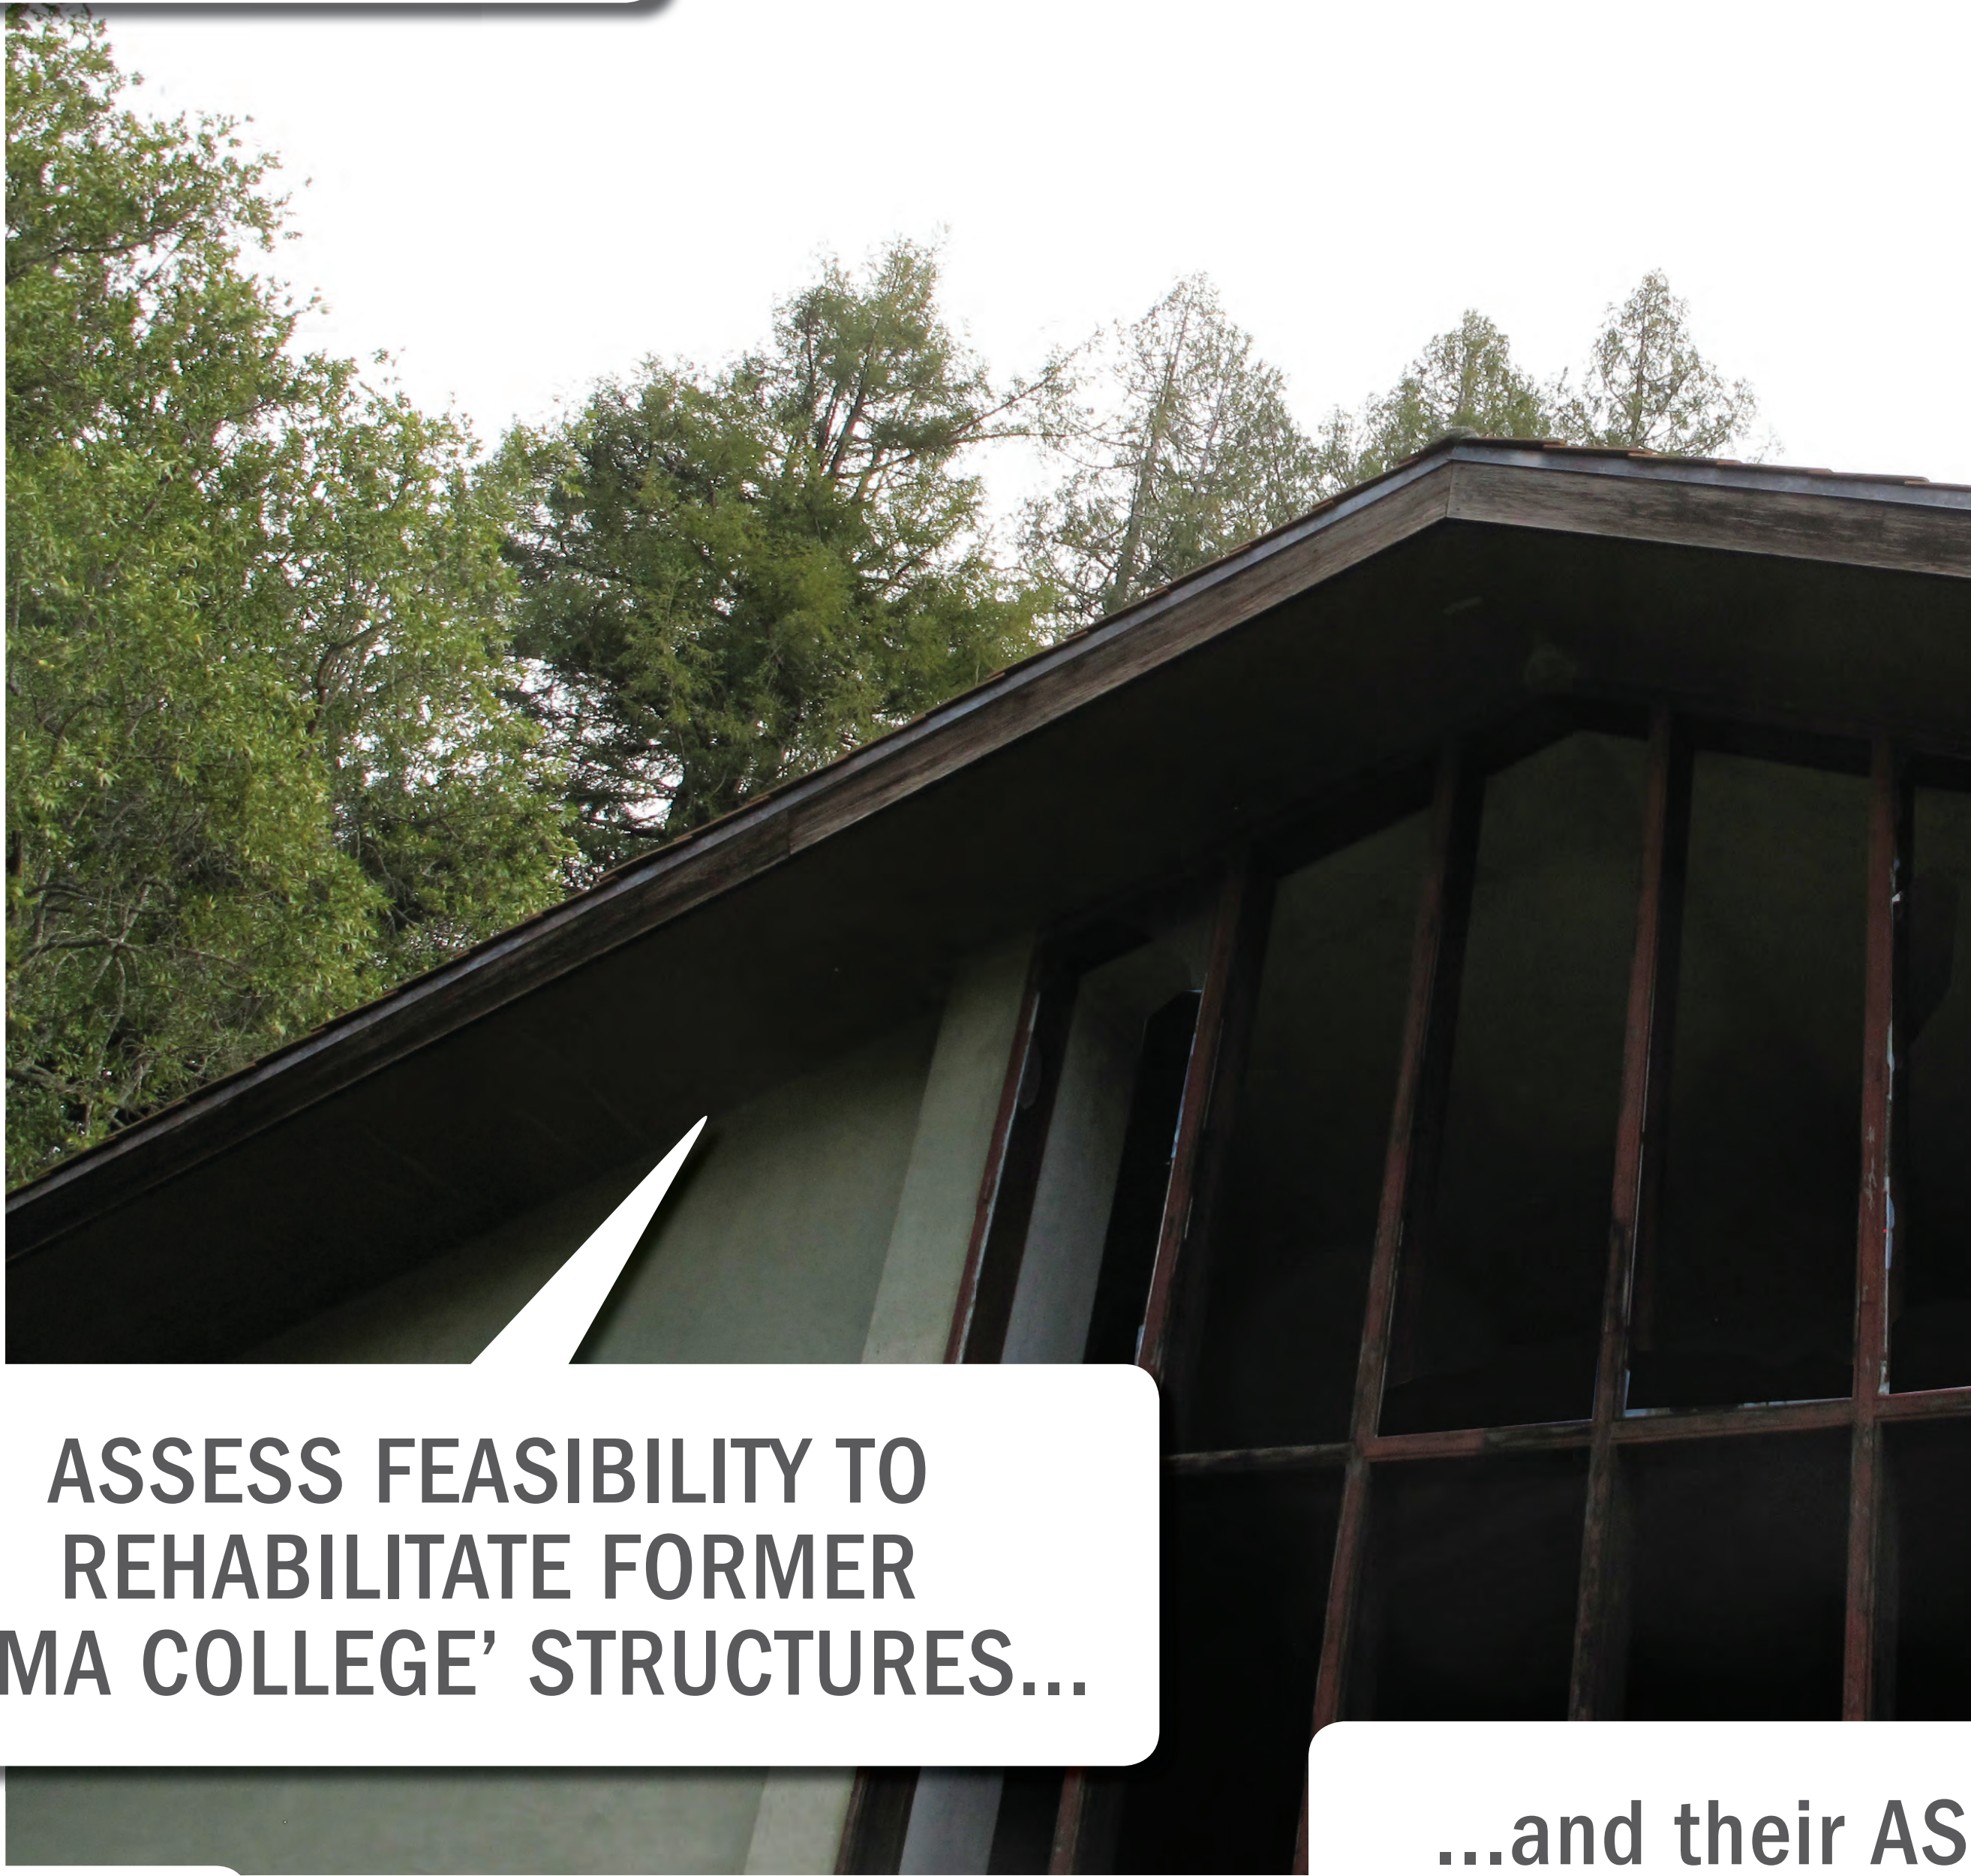

A **Protect and interpret** significant historical and cultural resources

PROVIDE SIGNAGE AND DOCENT-LED WALKS TO MORTAR (GRINDING ROCK) SITES

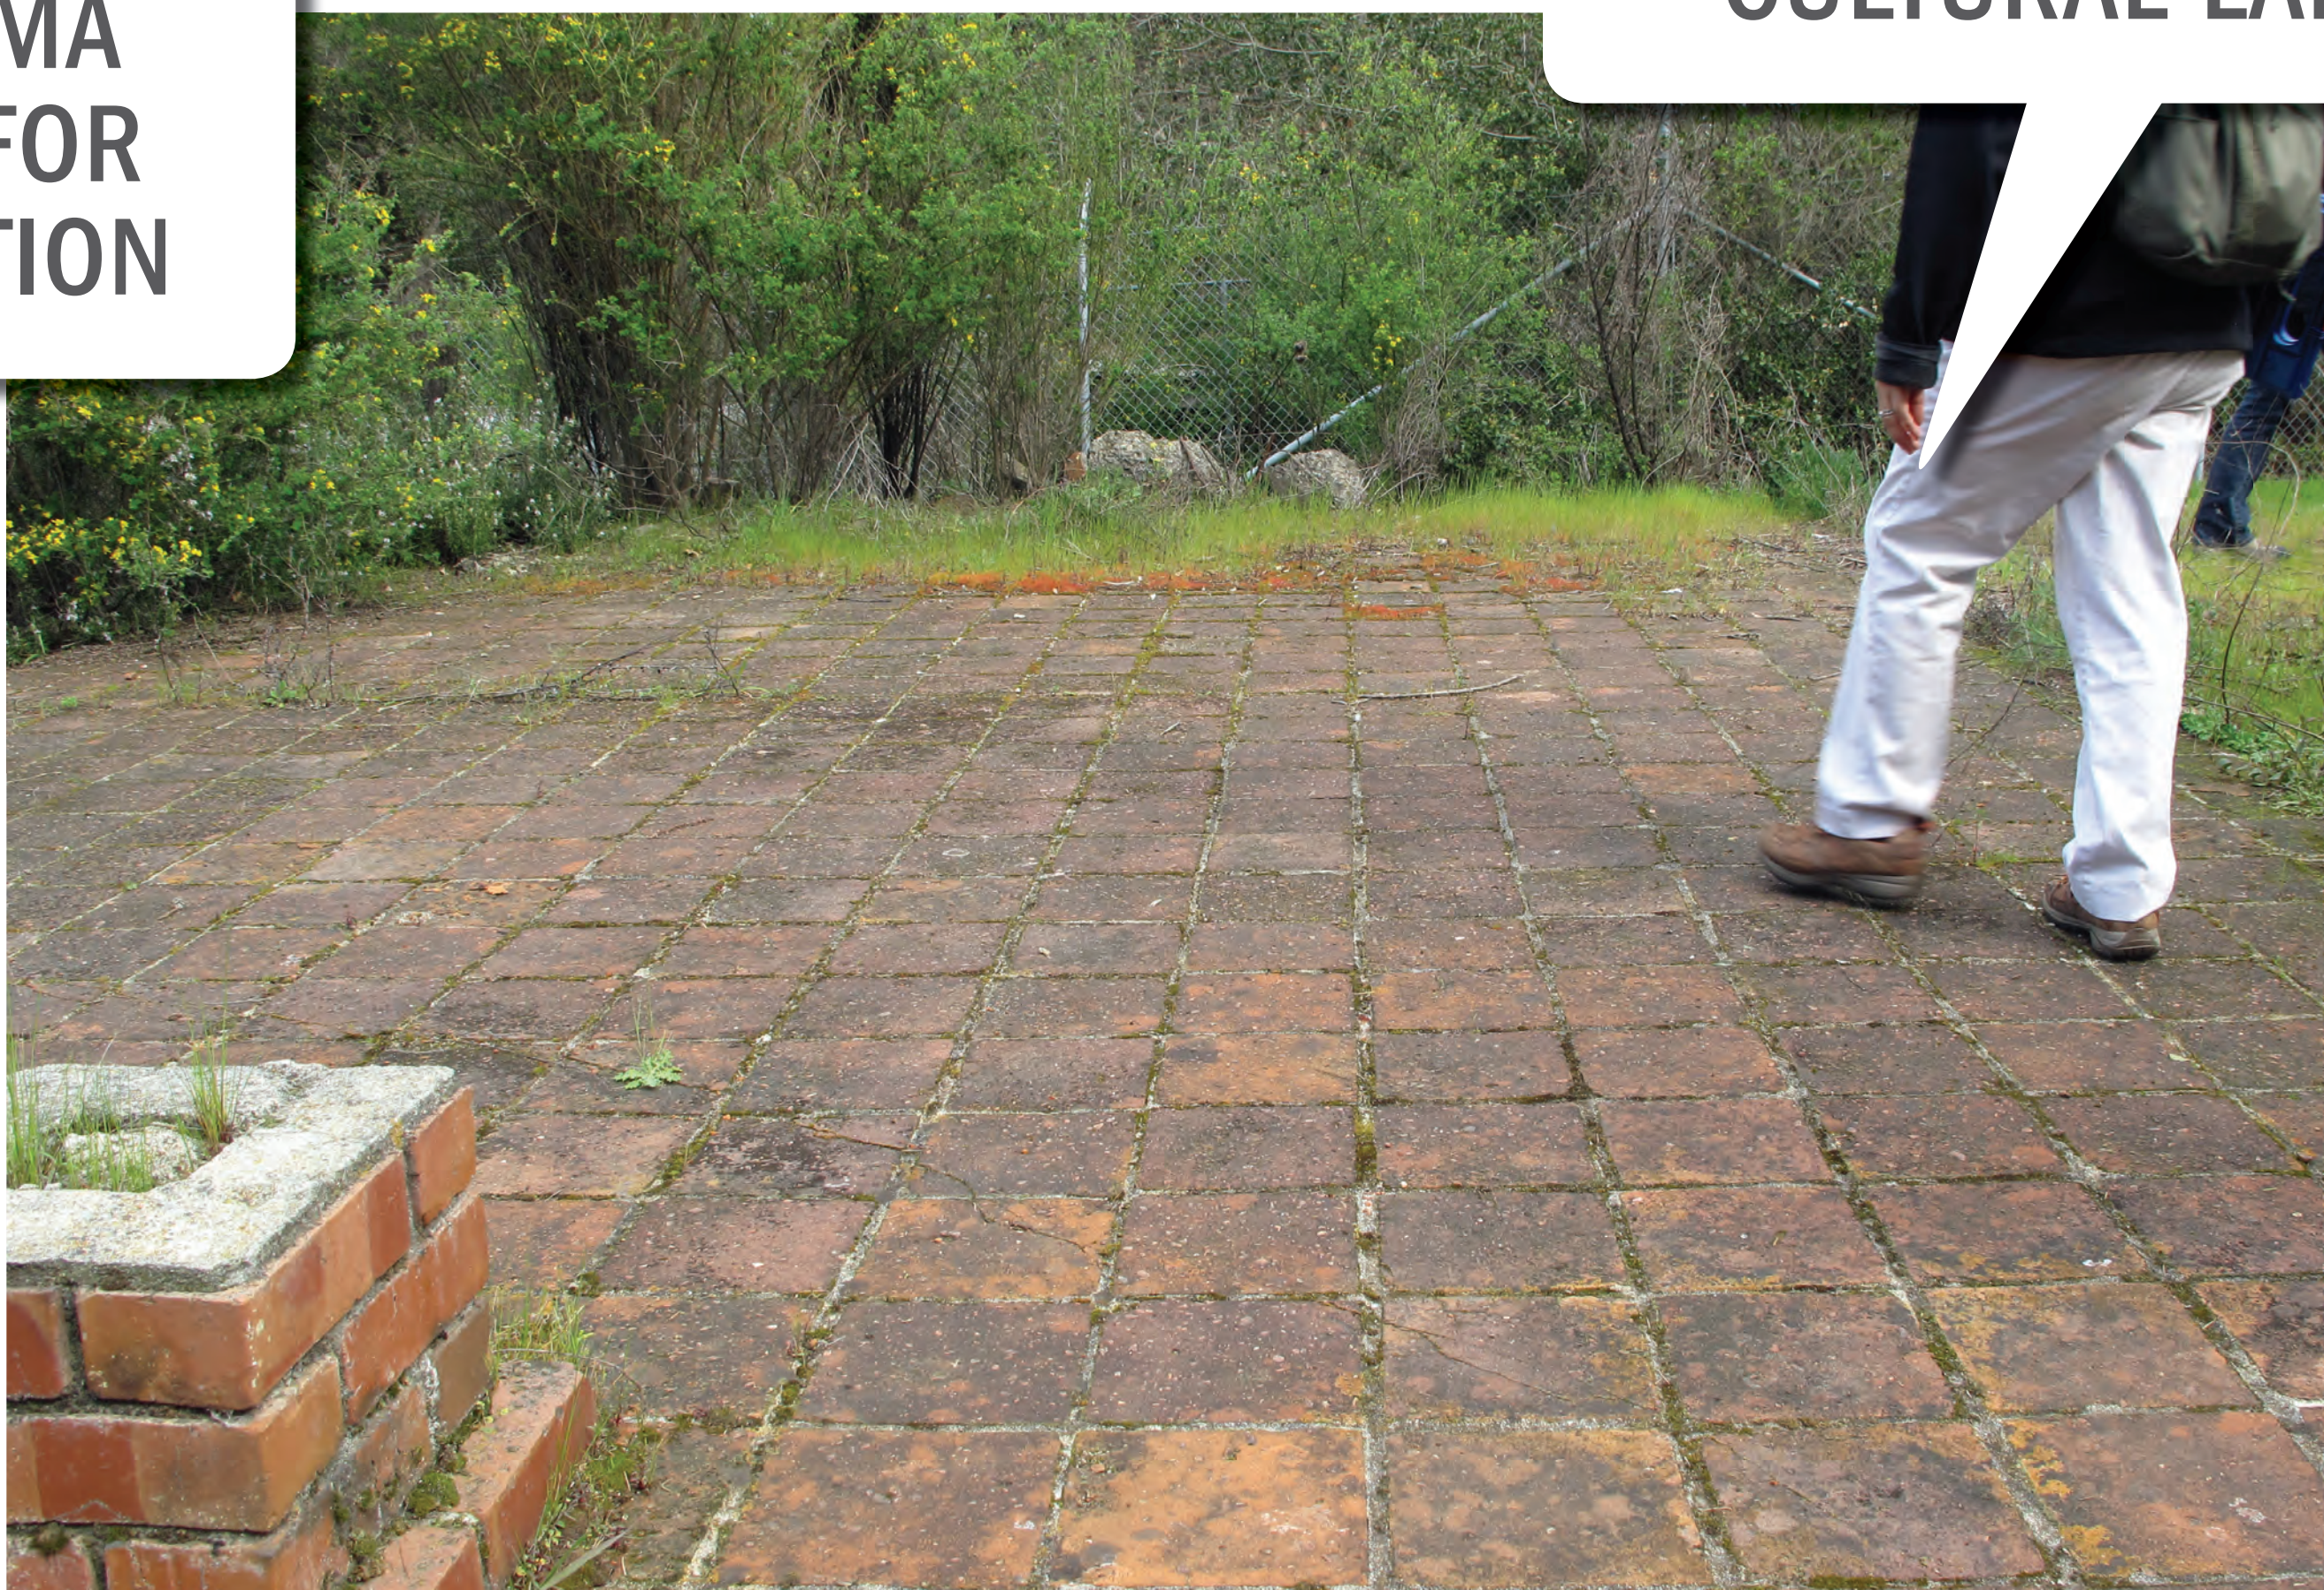

RETAIN FORMER 'ALMA COLLEGE' SHRINES FOR ON-SITE INTERPRETATION

ASSESS FEASIBILITY TO REHABILITATE FORMER 'ALMA COLLEGE' STRUCTURES...

...and their ASSOCIATED CULTURAL LANDSCAPE

some KEY ACTIONS
