Open Space District

Memorandum

DATE: March 15, 2016

MEMO TO: Legislative, Funding, Public Affairs Committee

THROUGH: Stephen E. Abbors, General Manager 

FROM: Shelly Lewis, Public Affairs Manager

SUBJECT: Legislative Update

The attached introduced legislation was forwarded to the District from our Sacramento lobbyist firm Public Policy Advocates (Attachment 1). District staff has put a watch notice on this and several other bills, and we will continue to monitor and update the Legislative, Funding, and Public Affairs Committee and the Board of Directors on an ongoing basis. Several highlights are listed below:

AB 2444 (Garcia, Eduardo D) California Water Quality, Coastal Protection, and Outdoor Access Improvement Act of 2016.

Summary: Would declare the intent of the Legislature to enact the California Water Quality, Coastal Protection, and Outdoor Access Improvement Act of 2016, which would authorize the issuance of bonds to finance a water quality, coastal protection, and outdoor access improvement program. This is a spot bill, which the State Park Partners Coalition and the Bay Area Open Space Council are following closely as it could include per capita funding for parks, trails, etc. The General Manager has notified some of our legislators that this bill has been introduced. As it develops, the District will likely want to take position.

AB 2801, as (Gallagher, James R) Civil procedure: validation actions.

Summary: Per District General Counsel, this bill would severely undermine the ability of all local agencies to expend resources, without having to wonder if at some unforeseen date the money spent will have to somehow be returned to the taxpayer. This bill will likely garner broad opposition by all local government groups. District counsel is monitoring this bill.

SB 885 (Wolk, Lois D) Duty to Defend Reform

Summary: Prohibits contracts that require state licensed design professionals, including engineers, land surveyors, architects, and landscape architects, to defend claims made against other persons or entities involved in construction projects. The California Special District Association has strongly opposed and believes that Special Districts' Freedom to Contract would be in jeopardy. Public Policy Advocates state that the bill would unwind a 2010 compromise struck between public agencies and design professionals relating to contract indemnity against claims relating to a project's design work. This section protects design professionals from unreasonable liability requirements while allowing indemnity clauses to be placed in contracts to protect public agencies and therefore taxpayers from the costs of defending lawsuits related to the work of the design professionals. SB 885 would, in effect, transfer legal responsibility for a project's design to the public agency. The bill would overturn Crawford v. Weathershield, the 2008 California Supreme Court decision which confirmed the

ability for public agencies to place indemnification clauses in public works contracts. The District counsel is monitoring this bill.

SB 876 (Liu, R) Homelessness

Summary: Per District Counsel, this bill would give homeless persons the right to use public lands, including District owned lands, which would very likely include invalidation of camping prohibitions, and related sanitary and agricultural or food service uses on such lands, and related rights for living on public lands. The bill would provide attorneys fees for any plaintiff prevailing in an action to enforce the rights granted. District counsel is monitoring this bill.

In addition, the District is expected to receive endorsement requests from the campaigns for the following measures that will be placed on the June 7 ballot.

- **Measure AA** for a Clean and Healthy Bay proposes a \$12 year annual parcel tax for enhancing wetlands and wildlife habitat, for the expansion of public access and recreational opportunities and for the protection of public infrastructure — from highways to wastewater treatment plants to schools — from the threat of rising sea levels. The tax would raise \$500 million over 20 years. Half would be distributed to each Bay Area county based on population.
- **Santa Clara County Parks, Park Charter Renewal** to place an amendment to the County Charter before the voters on the June 2016 ballot to extend the Park Charter Fund for 15 years, (sunsetting in 2031), and starting July 1, 2017, to change the revenue allocation within the Park Charter from 1.425 cents per \$100 assessed value with 15% for acquisition, 5% capital, 80% unrestricted to 1.5 cents per \$100 assessed value with 10% for acquisition, 10% capital, 80% unrestricted. Reallocation will provide \$72M in funding for park acquisition over ten years, which exceeds the \$64M in acquisition funding provided over the past decade under the current formula. The most significant change is to increase funds available for Capital Improvement Projects.

Also, on February 24, 2016, the California Council of Land Trusts has endorsed the ballot measure known as the Control, Regulate and Tax Adult Use of Marijuana Act. The Adult Use of Marijuana Act would legalize the use of marijuana in California and is slated for the November 2016 ballot. Revenue raised from levies on marijuana will be dedicated to three sources: Youth Substance Abuse Education, Prevention and Treatment; State and Local Law Enforcement; and Environmental Restoration and Water Protection.

Summary: The California Public Records Act requires state and local agencies to make their records available for public inspection, unless an exemption from disclosure applies. The act declares that access to information concerning the conduct of the people's business is a fundamental and necessary right of every person in this state. This bill would make a nonsubstantive change to these provisions.

Summary: The Public Employees' Retirement Law (PERL), establishes the Public Employees' Retirement System (PERS), which provides a defined benefit to members of the system, based on final compensation, credited service, and age at retirement, subject to certain variations. PERL authorizes a public agency to contract to make its employees members of PERS, but prohibits a public agency doing so within three years of termination of a previous contract. This bill would make technical, nonsubstantive changes in the provisions regarding public agency participation in PERS by contract, as described above.

Summary: Under current law, the legislative body of any local agency, defined to mean a county, city, city and county, or public district, may contract with any other local agency for the performance by the latter of municipal services or functions within the territory of the former, but prohibits the force account limit applicable to the local agency contracting to receive services from being exceeded. Current law excepts from that prohibition agreements made before January 1, 1981, or the current term of any self-renewing or renewable agreement entered into before that date. This bill would make nonsubstantive changes to that provision.
