AGENDA ITEM 4

AGENDA ITEM

Establish the Fiscal Year 2023 (FY23) Tax Levy for the Midpeninsula Regional Open Space District Measure AA General Obligation Bonds - Series 2015A and Series 2018

GENERAL MANAGER'S RECOMMENDATION *dem*

Adopt Resolutions of the Board of Directors of the Midpeninsula Regional Open Space District for each of San Mateo, Santa Clara, and Santa Cruz Counties to establish an ad valorem property tax levy of \$1.30 per \$100,000 (or \$0.0013 per \$100) in assessed value for the Measure AA General Obligation Bonds – Series 2015A (Series 2015B was fully paid off as of September 1, 2021) and Series 2018. The District Controller has reviewed the calculation and concurs with the proposed rate of levy for FY23.

SUMMARY

On June 3, 2014, voters of the Midpeninsula Regional Open Space District (District) approved the passage of Measure AA authorizing the District to issue up to \$300 million of general obligation bonds (Bonds) over thirty years to finance Measure AA capital projects. In 2015, the District issued \$40,000,000 of tax-exempt bonds (Series A) and \$5,000,000 of taxable bonds (Series B). The District subsequently issued \$50,000,000 of tax-exempt bonds in February 2018. The proposed FY23 tax levy of \$0.0013 per \$100, or \$1.30 per \$100,000 in assessed value, will provide the District with sufficient revenues to pay the related debt service payments through September 2023.

DISCUSSION

Debt service payments on the Bonds are paid through a tax levy on all taxable property within the District. Each year, the levy is calculated based on the assessed value and the debt service amount the District needs to collect. The evolution of the tax levy is as follows:

FY16	\$.0008 per \$100 of assessed valuation
FY17	\$.0006 per \$100 of assessed valuation
FY18	\$.0009 per \$100 of assessed valuation
FY19	\$.0018 per \$100 of assessed valuation
FY20	\$.0016 per \$100 of assessed valuation
FY21	\$.0015 per \$100 of assessed valuation
FY22	\$.0015 per \$100 of assessed valuation
(Proposed) FY23	\$.0013 per \$100 of assessed valuation

Based on the debt service schedule for the Bonds, and tax revenue projections provided by the District's Tax Administration Consultant (Goodwin Consulting Group), the Board is requested to approve resolutions for each of the three Counties authorizing the placement of an ad valorem property tax levy of \$0.0013 per \$100, or \$1.30 per \$100,000 in assessed value.

FISCAL IMPACT

The establishment of the ad valorem property tax levy will provide the District with sufficient revenues to pay the scheduled debt service payments on September 1, 2022, March 1, 2023, and September 1, 2023.
