AGENDA ITEM 7

AGENDA ITEM

Approval of Terms of Employment, including Salary and Health Benefit Enhancements, for the Midpeninsula Rangers Peace Officers Association

GENERAL MANAGER'S RECOMMENDATION *den*

Adopt a resolution approving the Terms of Employment, including Salary and Health Benefit Enhancements, for the Midpeninsula Rangers Peace Officers Association for a term ending June 30, 2023.

SUMMARY

Midpeninsula Regional Open Space District (District) began negotiations with the Midpeninsula Rangers Peace Officers Association (MRPOA) in July of 2021. Throughout the following year and into the spring of 2022, both parties negotiated and reached tentative agreements on major employment terms with the notable exception of a MRPOA proposal to change the retirement plan. The District did not agree to MRPOA's proposal for enhanced safety retirement benefits (safety retirement) and MRPOA would not agree to any proposal without safety retirement. The District's Chief Negotiator subsequently attempted to discuss options for more financially sustainable retirement enhancements, which did not culminate in any agreement. Therefore, the District and MRPOA mutually declared an impasse on May 10, 2022. The District then prepared a last best offer Terms document with salary and health benefit enhancements and improved Ranger workplace provisions and provided it to the MRPOA through its Chief Negotiator on July 15, 2022. The District received a response on August 4, 2022 reiterating MRPOA's proposal for safety retirement and objecting to the replacement of binding arbitration with an administrative law judge process. The MRPOA response to the draft Terms document also requested minor edits to remove all references to "agreement" and "memorandum of understanding" which are replaced with "Terms" or "Terms document" throughout.

Given the impasse and in adherence with labor and employment laws and the District Employer-Employee Relations Resolution, the General Manager recommends imposing a one-year Terms of Employment as permitted by applicable State law by adopting the attached resolution and updating the Classification and Compensation Plan to reflect the proposed salary increases.

The proposed Terms of Employment is comprised primarily of provisions that the District and MRPOA tentatively agreed upon in negotiations. The provisions achieve a foundation of cooperative interests between the District and the newly formed MRPOA. The proposed Terms document contains clear and concise language to ensure clarity of interpretation and understanding of the terms of employment among both parties. The language is also current with

applicable state and federal law and contains an enhanced economic package for the MRPOA that is competitive with the labor market.

Understanding that both Parties were unable to reach mutual agreement on changes to the retirement benefits, this proposed one-year Terms of Employment will codify the adjustments and enhancements that have been to date tentatively agreed upon and ensure clarity of employment terms for MRPOA employees over the next year. The proposed one-year Terms of Employment will also prevent Ranger workforce salaries from lagging too far behind the market to stay competitive with the Board of Directors (Board) approved list of comparable agencies while preventing major economic impacts to the workforce as inflation continues to increase and as we seek a final Memorandum of Understanding with the MRPOA.

DISCUSSION

Background

MRPOA is the exclusive labor relations bargaining unit for District Rangers, Lead Rangers, and Supervising Rangers representing 33 positions. This group was formally recognized by the Board in June 2021.

The District and the MRPOA entered into their first contract negotiations on July 21, 2021. MRPOA's negotiating team was comprised of Tim Cantillon, Labor Representative from Goyette and Associates; Alex Hapke, MRPOA Board President and Lead Ranger; Jeff Smith, MRPOA Board Vice President and Ranger; Ryan Augustine, MRPOA Secretary and Ranger; Jeff Brown, MRPOA Treasurer and Ranger; and Chris Schenck, MRPOA Member-at Large and Ranger. The District's negotiating team included Jack Hughes, Labor Attorney from Liebert, Cassidy and Whitmore; Stefan Jaskulak, Chief Financial Officer/Director of Administrative Services; Brian Malone, Assistant General Manager; Candice Basnight, Human Resources Manager and Rebecca Wolfe, Human Resources Supervisor. There were numerous meetings throughout the following year and into the spring of 2022 with tentative agreements achieved on many items with the notable exception of a MRPOA proposal for enhanced public safety retirement benefits that has resulted in the current impasse.

A longstanding District policy and practice has been to provide all employees throughout the agency with the same miscellaneous public agency member retirement benefits as provided under the California Public Employees' Retirement System (CalPERS). Beginning in 2013, the California Public Employees' Pension Reform Act (PEPRA) amended the retirement benefits for all California public employees across the entire state. PEPRA was created to address structural concerns related to California public employee pensions and has been recognized as a positive step to help public agencies better manage future pension costs in light of ever-increasing pension liabilities, and mitigate the level of underfunding that was also growing substantially. In fact, as of 2015, California public agencies were facing unfunded public pension liabilities estimated to be as high as \$583 Billion, with no reasonable means of funding the debt while avoiding major curtailments of public service and job losses. Moreover, public pension debt had contributed to the bankruptcies of numerous cities. Also of note, when CalPERS first established its original Classic formulas with retirement ages of 50 or 55, the average life expectancy was 66. Since then, the average life expectancy has dramatically increased to age 78 – significantly expanding the retirement years and pension payments of retired public employees. The District was not immune to these pension liabilities and financial impacts and was also facing increasing pension liabilities that are now under control with PEPRA in place.

Given these realities, PEPRA established by law a two-tier system based on the year of hire in a CalPERS. Under PEPRA, District employees hired before January 1, 2013 are eligible for retirement at age 55 at a 2.5% retirement formula (resulting in an annual pension for life equal to 2.5% of highest average annual salary during any consecutive 12 month period for every year of service). District employees hired on or after January 1, 2013 are eligible for retirement at age 62 at a 2% retirement formula (2.0% of highest average annual salary during any consecutive 36 month period for every year of service). As noted before, these requirements apply to all miscellaneous (non-safety) public agency California employees enrolled under CalPERS. No District Ranger classification is currently eligible for safety retirement per a CalPERS determination based on the job description and job requirements, given that no ranger position is required to have peace officer status at the time of hire. Also, based on discussions with CalPERS, determination of eligibility does not guarantee the provision of safety retirement; public agencies retain the discretionary authority to decide whether or not to enroll eligible employees into safety retirement. Once enrolled, a public agency is prohibited from changing its decision and any similar additional future positions would be automatically categorized under safety retirement.

Of importance to the District, Ranger positions by policy have a significantly reduced level of risk as compared to police officers, county sheriffs, and firefighters. The primary roles of the Ranger are as open space ambassadors and stewards of the District's public open space lands. District Rangers ensure visitors are educated about and comply with ordinances that protect and preserve the natural resources while promoting visitor enjoyment of District lands. Rangers are specifically restricted from taking law enforcement actions that put them in unnecessary jeopardy; Rangers instead must refer such incidents to the appropriate law enforcement agency. Rangers are also prohibited from: engaging in physical force solely to stop or detain suspects; making contact for incidents involving firearms or other weapons; and in pursuing vehicles on public roadways. Given the open space and low-intensity recreational nature of District activities, the need for policing services by the surrounding jurisdictional law enforcement agencies is minimal. Fire response responsibilities are also limited, with Rangers providing initial fire response - if and when safe to do so - handing the incident response to the appropriate fire suppression agency on their arrival. Rangers assist with fire suppression if the activities are within the scope of their training and equipment - which are below that of a full-time wildland firefighter. By District policy, the scope of Ranger job duties and responsibilities is deliberately limited to reduce the level of risk to Rangers to protect the workforce from potential workplace injuries.

The District's workplace safety measures and its policies and restrictions that limit Ranger duties and responsibilities have proven to be successful in reducing risk of injury and harm to Rangers since the position was first created in the 1970s. The District's Worker's Compensation track record provides a quantifiable measure of this ongoing success. In fact, the District was honored in 2021 by the California Joint Powers Insurance Authority (CalJPIA) with the "Best Overall Performance" award in the Workers' Compensation Program in recognition of the District's risk management success and best overall performance in the Workers' Compensation programs. To be considered for this award, CalJPIA evaluated quantitative and qualitative risk management factors, including claims and claims severity over a five-year period. The District's most recent receipt of the 2022 Risk Management Award from CalJPIA for Best Overall Performance in the Liability Program for the non-municipal agencies category demonstrates that the District continues to excel in its risk reduction measures. These recognitions are due to the carefully prescribed precautions and restrictions the District has in place for its employees.

The MRPOA proposal for safety retirement is neither fiscally prudent nor sustainable over the long term and incorrectly presumes that the risk level of Rangers is commensurate to that of police officers, county sheriffs, and/or firefighters. The long term estimated costs of safety retirement are substantial, increasing District personnel costs by at least \$320,000 and as much as \$1.5M over the next three years alone (with the higher cost accounting for potential additional costs related to worker's compensation and liability insurance). These costs would continue to significantly increase year over year, raising projected retirement costs to sustain the Ranger workforce by as much as 330% by the year 2045. These costs would fundamentally be borne by the public taxpayers through property taxes, which make up nearly 91% of all District revenues. Locking the District into a discretionary benefit that poses significant initial and long-term costs raises major financial sustainability concerns and the risk of requiring the District to reduce its public programs and level of public services and/or face lay-offs and job losses during a future economic recession. Given persisting global economic disruptions, and most recently the ever-increasing inflation rate, concerns of a future recession and/or reductions in assessed property values (and therefore revenues) is of real concern.

Throughout negotiation discussions with the MRPOA, the District clearly communicated its intention to replace a binding arbitration clause that existed in a prior Memorandum of Understanding (MOU) that applied to Rangers when they were part of the Field Employees Association (FEA). The binding arbitration clause would be replaced with a state Administrative Law Judge (ALJ) when resolving future grievances to expedite final resolutions and minimize scheduling and coverage impacts to the Ranger workforce. This change would also be consistent with the most recent MOU entered into with the FEA, which remains in effect through June 2024. The proposed Terms document with the MRPOA would memorialize this change.

In accordance with the rules of impasse under the Meyers-Milias Brown Act (MMBA), which governs labor relations in public employment, an employer may impose terms of employment based on their last best offer to the represented group. The proposed Terms document applies to the fiscal years during which the Parties were unable to reach agreement upon a successor MOU. If approved by the Board, the proposed Terms document would apply to MRPOA employees until such time as the District and MRPOA begin new negotiations to reach a different agreement. Therefore, the General Manager recommends that the Board approve the proposed Terms document to provide fair and reasonable work rules that make sense for the new unit and to maintain District business operations for the Ranger classifications. Furthermore, the proposed Terms document calls for salary and benefit increases for all Ranger classifications to keep the positions competitive in the labor market consistent with the Board Policy 2.03 *Employee Compensation Guiding Principles*.

Salary & Benefit Terms for Employees Represented by Midpeninsula Rangers Peace Officers Association

Salary Adjustments

The following salary increases would become effective the first full pay period after Board adoption of this Terms document:

- The Ranger classification moves up one range (approximately 2.5%).
- The Lead Ranger classification moves up two ranges (approximately 5%).
- After the classes move the number of ranges cited above, all ranges would increase by 3%.

Medical Benefits**Cafeteria Plan**

The District would continue to provide a Section 125 Cafeteria Plan from which employees may use to pay for the cost of medical, dental, and vision insurance, as well as Dependent Care and Medical Reimbursements on a pretax basis. The District would provide a contribution into the Cafeteria Plan sufficient to pay for dental and vision insurance, plus an additional amount toward medical insurance. The Cafeteria Plan contribution would be adjusted as described below.

District contributions for health benefits to MRPOA employees would become effective the first full pay period after Board adoption of the Terms document, and shall be equal to the 2022 Kaiser monthly premiums as follows:

- Employee Only: \$857.06 per month
- Employee Plus One: \$1,714.12 per month
- Employee Plus Two or More: \$2,228.36 per month

The following existing benefits, applicable to all District employees, are incorporated into the Terms of Employment:

1. Payroll Deductions: If an employee selects a plan with a greater premium cost than the District contribution, the employee will pay the additional premium cost.
2. Cash Back: In the event CalPERS offers a medical insurance plan with lower premiums than the District contribution, an employee selecting such a plan will have contributions remaining in the Cafeteria Plan and may apply the remaining contribution to other qualified benefit costs or receive the difference in cash.
3. Waiver: If an employee provides evidence (e.g., insurance ID card) that the employee is covered under a non-District medical plan, the employee may elect to waive such coverage through the District. Employees waiving medical coverage will receive contributions under the Cafeteria Plan equivalent to one-half of the District Employee-Only contribution and may elect to apply such contribution toward other qualified benefit costs or receive the difference in cash.
4. Internal Revenue Code: If the District determines, before or during any Cafeteria Plan year, that the Cafeteria Plan may fail to satisfy any requirements of the Internal Revenue Code for such plan year, the District shall take such action as the District deems appropriate and necessary to ensure that the Cafeteria Plan satisfies the requirements of the IRS Code.

Other Provisions - The Terms document includes the following additional changes:

- Shift Change Differential: Increase from thirty dollars (\$30) per occurrence to forty dollars (\$40) per occurrence.
- Grievance Procedure: Replaces a third-party arbitrator with public administrative law procedures and judges to conduct hearings on grievable contract disputes.

**ARTICLE 2 – MIDPENINSULA RANGERS PEACE OFFICERS ASSOCIATION
RECOGNITION/SECURITY**

SECTION 2.1 – RECOGNITION

The Midpeninsula Regional Open Space District (hereinafter, “District”) recognizes the Midpeninsula Rangers Peace Officers Association (hereinafter, “POA”) as the exclusive bargaining representative for all employees in the classifications of Ranger, Lead Ranger, Supervising Ranger, and any other classification that the District adds to the bargaining unit. Existing job classifications may be retitled but are nonetheless represented by the bargaining unit unless expressly removed by the District.

SECTION 2.2 – POA SECURITY

A. New Hires

When a person is hired in any of the covered job classifications, the District shall notify that person that the POA is the recognized bargaining representative for the employee's representation unit and give the employee a current copy of these Terms. Once the POA notifies the District of the biweekly dues amount, that amount will remain the same and may only be changed once annually thereafter.

SECTION 2.3 - NOTICE OF CHANGES

The POA shall be informed reasonably in advance in writing by the District before any proposed changes not covered by these Terms are made in benefits, working conditions or other terms and conditions of employment which require negotiations under applicable labor relations law.

SECTION 2.4 - POA REPRESENTATIVE/RELEASE TIME

The POA shall notify the District of the names of POA Board Officers within ten (10) working days of the final election results.

The bargaining unit will receive reasonable amounts of release time, with forty-eight (48) hours’ prior notification to and approval from the Department Manager and notification to their Supervisor and Human Resources Manager, from their duties, with no loss of pay or benefits. The POA and District will make every effort to schedule meetings at times, dates, and locations that would minimize any adverse impact on District operations.

Up to four (4) POA Representatives may be released for purposes of collective bargaining for a new labor agreement.

Up to three (3) POA Representatives may be released for purposes of negotiating over any other matter within the scope of representation that requires negotiation.

Only one (1) POA Representative, if requested by the affected employee(s), shall be released at any time for handling grievances or disciplines.

SECTION 2.5 – POA NOTICES AND ACTIVITIES

A. Bulletin Boards

The District agrees to provide bulletin board space for POA notices at all field offices. If the POA posts any material which the District deems inappropriate, the POA agrees to meet to discuss the challenged material within 48 hours (excluding holidays and weekends) of notice from the District. All material posted shall conform to District policies and procedure regarding obscenity and the District’s Prohibition Against Discrimination, Harassment and Retaliation Policy, as well as

applicable Federal and California laws. The Human Resources Manager or their designee reserves the right to remove any material posted in violation of this section if the POA refuses to remove the material on its own.

B. Communication

The POA may distribute information and material to and receive information and material from employees through normal channels. For purposes of this Section, normal channels shall refer to the District's inter office mail e-mail, facsimile machine and telephone.

C. Visit by Field Representative

The POA Labor Representative may have access to unit employees at any field office. The Labor Representative shall be allowed reasonable contact with employees, provided such contact does not interfere with employees' work. Pre-arrangement for contact with unit members shall be made with the Department Manager.

D. Board Meeting Agendas

The District shall provide the POA with agendas and packet materials for Regular and Special Meetings of the Board of Directors and packet materials at no charge. The District shall also provide the POA with agendas for the Board of Directors Legislative, Finance, and Public Affairs committee meetings. Agendas shall be e-mailed to the POA's designated representative prior to the respective Board meetings.

E. Flex Schedule to Attend Board Meetings

The District agrees, with at least 48 hours prior notice, to allow flex scheduling for one member of the unit, without impact to work duties and responsibilities, to attend public Board meetings of the Midpeninsula Regional Open Space District, (including public standing committee meetings), which are scheduled during an interested employee's regularly scheduled work hours, as long as minimum staffing requirements are met. The POA agrees that the District will not pay any split shift differentials that result from flex scheduling under this provision.

SECTION 2.6 - HOLD FOR FUTURE USE

SECTION 2.7 - SAFETY COMMITTEE

The POA shall choose two (2) representatives for the District safety committee. The representatives shall come from the bargaining unit at large, except at least one (1) shall come from each geographical area and at least one (1) shall be a supervisory position.

ARTICLE 3 - NO DISCRIMINATION

All employees must comply with the District's Prohibition Against Discrimination, Harassment and Retaliation Policy and applicable Federal and California laws.

ARTICLE 4 - DISTRICT RIGHTS

Except as expressly limited by these Terms, and as thereafter amended or modified, it is understood and agreed by the POA that the District retains all of its powers to direct, manage and control the affairs of the District to the full extent of the law. Included in, but not limited to, those duties and powers are the exclusive right to: determine its organization; direct the work of its employees; determine the times and hours of operation; determine the kinds and levels of services to be provided and the methods and means of providing them; establish District policies, goals and

objectives; maintain the efficiency of District operations; acquire District property; build, move or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue; and contract out work. In addition, the District retains the right to hire, classify, assign, evaluate, promote, terminate and discipline employees.

ARTICLE 5 - SCHEDULES, OVERTIME AND CALL-BACK TIME

SECTION 5.1 - OVERTIME

A. Work Period

The work period for employees shall be regular and recurring, commencing at 12:00 a.m. on Monday and ending at 11:59 p.m. on Sunday, unless an alternative work schedule necessitates a different work period to prevent schedules from creating overtime.

Except for emergency or other situations declared by an Area Superintendent, Chief Ranger, General Manager of their designee, the following shall apply:

ARTICLE 6 - WORKERS' COMPENSATION/ DISABILITY COVERAGE/MODIFIED DUTY

SECTION 6.1 - INDUSTRIAL INJURY/WORKERS' COMPENSATION BENEFITS

If, during the performance of assigned duties, an on-duty employee sustains an on-the-job injury covered by Workers' Compensation, the District shall augment Workers' Compensation, long-term disability, and other benefits in order to provide for full pay for the disabled employee up to a maximum of ninety (90) days in a twelve month period without use of the employee's accrued leave time, except that the employee must use accrued leave time to cover the three (3) day waiting period for Workers' Compensation temporary disability payments, unless the employee is hospitalized as an inpatient or unable to work more than fourteen (14) days.

Employee disability coverage will also apply to follow-up medical appointments that occur during work time as a result of an industrial illness or injury covered by Workers' Compensation. The employee must notify the supervisor of all such medical appointments that occur during work time in the same manner as Section 12.1.C. Sick Leave Reporting.

The employee shall receive their regular rate of pay during the modified duty. Approval for modified duty shall be based upon the District's ability to provide work consistent with the employee's qualifications, medical limitations, and the length of time of the limitations. The District may consult a physician in determining the employee's work limitations. If there is disagreement between the employee's doctor and the District's doctor, the District may seek a second opinion from its doctor or seek a third doctor's opinion.

Modified duty requests shall be made to the employee's immediate supervisor with appropriate documentation from the treating physician specifying the nature and duration of the work limitations. The supervisor shall review the request and the documentation for completeness and immediately forward them to the Area Superintendent. The Area Superintendent shall then consult with the Human Resources Department and shall determine if appropriate work is available at the employee's workstation before assigning the employee to another workstation. However, employees on modified duty must be willing to accept any modified duty assignment, schedule and/or work location within the District. The decision of the District with respect to modified duty assignments, schedule or work location is final.

The duration of the modified duty assignment is subject to the needs of the District. The provisions of this section are not intended to create any permanent modified duty assignment. If there are more employees who could accept modified duty than there are assignments, and the employees are comparably qualified, preference will go to those injured on the job. The District will make every reasonable effort to accommodate injured employees and offer a modified duty assignment.

SECTION 15.3 - STEP I

- A. A grievant shall present the grievance orally to the grievant's immediate supervisor within fifteen (15) working days after the grievant knew, or reasonably should have known, of the event or events on which the grievance is based. To assist in resolving any grievance at the lowest possible level, the supervisor may request that the grounds for the grievance be stated in writing. The immediate supervisor shall conduct whatever investigation is necessary to obtain the facts pertaining to the grievance. Within fifteen (15) working days after receiving notice of the grievance, the immediate supervisor shall meet with grievant in an attempt to settle the grievance and shall give the grievant a reply. The Steward may attend the meeting.

- B. If the grievant is not satisfied with the reply of their immediate supervisor, the grievant may appeal the grievance to Step II.

SECTION 15.4 - STEP II

- A. If the grievant desires to appeal the grievance to Step II, the grievance shall be reduced to writing and presented to the grievant's Area Superintendent or department manager if they are the next level of supervision within fifteen (15) working days following receipt of the immediate supervisor's reply.
- B. The written grievance shall contain a complete statement of the grievance, specific facts upon which the grievance is based, the specific provisions of these Terms and/or Personnel Policies and Procedures Manual claimed to have been violated, and the remedy requested. The grievance shall be signed and dated by the grievant and/or the Steward and/or the POA Staff Member.
- C. At the request of either side a meeting will be held between the grievant's Area Superintendent, or department manager if they are the next level of supervision, the grievant and the appropriate POA Representative to attempt to resolve the grievance informally. In any event, the Area Superintendent or department manager if they are the next level of supervision shall give a written decision to the grievant within fifteen (15) working days following receipt of the written appeal to Step II, with a copy to the POA.
- D. If the grievant is not satisfied with the decision, the grievant may appeal the grievance to Step III.

SECTION 15.5 - STEP III

- A. If the grievant desires to appeal the grievance to Step III, the grievant shall present the written grievance to the Department Manager and a copy to the Human Resources Manager within fifteen (15) working days following receipt of the written decision at Step II.
- B. In evaluating the appeal at Step III, at the request of either side, a conference shall be held between the Department Manager, in consultation with the Assistant General Manager, and the grievant and their POA Representative in an attempt to resolve the matter informally. With forty-eight (48) hours' notice to the District, the POA Staff Member may join the grievant and the Steward in the Step III conference. In any event, the Department Manager shall issue a written decision on the grievance within fifteen (15) working days of receipt of the appeal, with a copy to the POA.
- C. If the grievant is not satisfied with the decision at Step III, the grievant may appeal to Step IV.

SECTION 15.6 - STEP IV

- A. Any appeal not resolved at Step III may be appealed in writing, with copies of the Step II and Step III responses, to the General Manager with a copy to the Human Resources Manager, within fifteen (15) working days of receipt of the Step III response. Within fifteen (15) working days of receipt of the appeal, the General Manager shall convene a meeting with the grievant for the purpose of reviewing the grievance facts and issues pertinent to the grievance and to attempt to resolve the grievance. The POA Staff Member and Steward may attend the Step IV meeting. The General Manager shall issue a final written decision to the grievant within fifteen (15) working days of the meeting. A copy of the decision will be sent to the POA except as provided below for disciplinary grievances.

In the case of any disciplinary grievance that is appealable through Step IV, any or all appeal procedures and the review and/or determination of the Step IV grievance, may be conducted by the General Manager or their designee, in accordance with the requirements of the Public Safety Officers

Procedural Bill of Rights Act. Furthermore, the District will only provide documents concerning an employee's disciplinary action to the POA upon written request of the employee. No disciplinary grievance of a written reprimand may proceed to Step V because the decision of the General Manager at Step IV shall be final.

SECTION 15.7 - STEP V

- A. If the grievance is not resolved at Step IV, the grievant may elect to submit the grievance to a hearing before a State of California Administrative Law Judge ("ALJ"). The grievant shall submit written notice of said election within fifteen (15) working days of receipt of the Step IV response. Thereafter, the parties shall jointly request the California Office of Administrative Hearing assign an ALJ to the hearing.
- B. The ALJ shall hold a hearing on the issue submitted, or as determined by the ALJ if the parties have not mutually agreed upon the issue, and render a written decision. The conduct of the hearing shall be governed by the California Administrative Procedures Act.
- C. Decisions of ALJs on matters properly before them shall be advisory to the General Manager. No ALJ shall entertain, hear, decide, or make recommendations on any dispute unless the grievant is an employee in a unit represented by the POA and unless such dispute falls within the definition of a grievance as set forth in Section 15.1.
- D. Proposals to add to or change these Terms or written agreements or addenda supplementary hereto may not be heard under this Step V procedure. No proposal to modify, amend or terminate these Terms nor any matter or subject arising out of or in connection with such proposal, may be referred to a hearing under this Section. No ALJ shall have the power to amend or modify these Terms or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.
- E. All complaints involving or concerning the payment of compensation shall be initially filed in writing with the General Manager at Step IV. Only compensation complaints which allege that employees are not being compensated in accordance with the provisions of these Terms shall be considered as grievances.
- F. When either party claims a matter is not subject to this step V hearing procedure, that issue of subject matter jurisdiction shall first be decided by the ALJ without regard to the merits of the grievance. If the issue is held to be subject to hearing under this procedure, the ALJ may, at the request of either party, be recessed for up to for up to five (5) working days to determine if the grievance can be resolved. If it cannot, the hearing proceedings shall be resumed and the ALJ shall hear and issue an advisory written decision proposing a resolution of the grievance on the merits.
- G. The parties agree that any and all costs associated with a hearing procedure, including but not limited to such items as court reporters, transcripts and the ALJ's fee shall be divided equally between the District and the POA. Each party shall bear their own cost of representation.

ARTICLE 16 - LAYOFFS

SECTION 16.1 - SENIORITY DEFINED

For purposes of this Article, "seniority" shall be by classification and shall be defined as time served in that classification and any higher classification.

SECTION 16.2 - CONSIDERATION OF LAYOFF - NOTICE TO POA

When the District determines that a layoff is necessary within the bargaining unit, it shall give the POA at least thirty (30) days' notice. Such notice shall describe the classifications affected and the circumstances requiring the layoff. Upon request, the POA shall be afforded the opportunity to meet with the District to discuss the impact of layoffs on bargaining unit members.

SECTION 16.3 - ORDER OF LAYOFF

When one (1) or more employees performing in the same classification are to be laid off, the order of layoff shall be as follows:

1. Seasonal employees.
2. Probationary employees in inverse order of seniority.
3. Regular employees in inverse order of seniority.

SECTION 16.4 - NOTICE TO EMPLOYEES

Employees subject to the provisions of this Article shall be given at least twenty (20) working days written notice prior to the effective date of layoff. The POA shall receive concurrent notice. The procedures of Section 16.5 shall be applied prior to the effective date of the layoff.

SECTION 16.5 - ALTERNATIVES TO LAYOFF**A. Claim Vacancies**

Any affected unit member may claim a vacancy within the unit in a classification formerly held. If such classification is below the one currently held, the employee will have re-employment rights (Section 16.6) to the original classification.

B. Displacement

An affected unit member may bump the least senior employee in a lower classification within the POA previously held provided the affected employee is otherwise qualified to fill the lower classification. Seniority in the lower classification will be time spent in that classification plus any higher classification. Employees who bump into a lower classification will have reemployment rights (Section 16.6) in their original classification.

C. Rate of Pay

In the event of claiming a vacancy or bumping into a lower classification, the unit member's rate of pay in the lower classification shall be determined as follows:

1. If the step held in the higher classification occurs in the lower classification, the rate of pay will remain the same.
2. If the step held in the higher classification does not occur in the lower classification, the rate of pay shall be the highest step of the lower classification.

SECTION 16.6 - RE-EMPLOYMENT LISTS

Unit members who are laid off shall be placed on a re-employment list for their current classification and for each lower classification previously held. Employees reassigned as an alternative to layoff pursuant to Section 16.5 shall be placed on a re-employment list for their original classification. As vacancies become available, employees will be recalled from the appropriate re-employment list(s) in seniority order.

SECTION 16.7 - RIGHTS RESTORED

Upon re-employment of a unit member from a re-employment list, all rights acquired prior to their placement on such list shall be restored.

ARTICLE 17 - DISCIPLINARY PROCEDURE

With respect to disciplinary action, the following applies to members of the bargaining unit:

SECTION 17.1 - PREAMBLE

The degree of discipline is discretionary with the District. In exercising its discretion the District will consider factors including, but not limited to, the severity of the offense, the number and frequency of previous acts of misconduct, and past work performance. Disciplined employees shall have rights of appeal as set forth in this Article.

SECTION 17.2 - PRINCIPLES AND PROCEDURES

No employee shall be disciplined except for violation of established policies and procedures, and such disciplinary action shall be in accordance with procedures established herein. The District agrees to follow the principles of progressive discipline and just cause. However, the level or degree of any disciplinary action is within the discretion of the District as set forth above. Property Loss Discipline may be used initially when appropriate due to the severity of the offense.

SECTION 17.3 - GROUNDS FOR DISCIPLINE

Grounds for disciplinary action shall include, but not be limited to:

1. Abandonment of position and absence from duty without approval;
2. Abuse or misuse of leave privileges;
3. Below-standard work performance, including poor judgment, or incompetence in the performance of required duties;
4. Disruptive behavior or discourteous or abusive treatment of the public or other employees, including threats or acts of violence in the workplace, battery or assault; discrimination against the public or employees in violation of District policies; unlawful retaliation against any person who reports facts or information to authorities or District personnel about misconduct (actual or suspected) of any District employee; or conduct unbecoming a District employee which discredits the District;
5. Failure to abide by established District rules, regulations or policies including violation of the substance abuse policy;
6. Fraud or misrepresentation in securing appointment or promotion;
7. Insubordination;
8. Misuse of District property, work time, or funds, including use for personal purposes;
9. Neglect of duty;
10. Dishonesty, including but not limited to theft or falsification of District records or documents;
11. Failure to adhere to or comply with approved operational or safety guidelines; or negligent or reckless use or operation of vehicles, property, or equipment;
12. Failure to keep required work hours, including chronic absenteeism and chronic tardiness;
13. Any conviction by a court which would be incompatible with the work performed for the District by the affected employee, including a conviction for an offense committed during the course of District employment or a conviction for an offense committed on or off duty with a nexus to the employee's District employment or duties;
14. Failure to report the suspension or revocation of the employee's driver's license; License suspension or revocation does not constitute automatic grounds for discipline;
15. Unauthorized access to or use of District records;

16. Failure to maintain professional appearance, in accord with the District's uniform policies.

SECTION 17.4 - WARNING TYPES OF DISCIPLINE

Whenever possible, counseling or an oral warning should be used prior to taking a more formal disciplinary action. Counseling and oral warnings shall be defined as a non-punitive process that is not considered discipline.

A. Oral Warning

An oral warning is a verbal notice advising an employee that the employee's behavior or performance must be improved. It defines areas where improvement is needed, sets goals, and informs the employee that failure to improve may result in more serious action. The employee's supervisor will document the oral warning by recording the date and content of the warning and maintain a copy of the documentation. The employee shall receive a copy of the warning at the time the note is prepared. The documentation of the oral warning shall not be placed in the employee's personnel file. However, the incident may be addressed in the employee's performance evaluations and Interim Progress Reports for the evaluation year in which the incident occurred.

When appropriate, the District will use the following types of discipline before imposing suspension, demotion or dismissal.

B. Written Warning

A written warning is notice to an employee that the employee's performance or behavior must be improved. It contains the same elements as the oral warning. When appropriate, the written warning may be used in conjunction with a Plan for Individual Improvement proposed by the employee's supervisor and approved by the Area Superintendent or department manager as appropriate.

Prior to a copy of the written warning and Plan for Individual Improvement being placed in the employee's personnel record, a copy shall be given to the employee and a copy shall be sent to the POA. The employee will have the opportunity to read and sign the warning and Plan prior to its being placed in the employee's personnel record. Should the employee refuse to sign, that fact should be noted on the document, signed or initialed by the employee unless refused, and then entered in the employee's personnel file. The employee shall have thirty (30) days to prepare a written response which will be attached to the written warning in the personnel file. At the employee's written request, the written warning and Plan for Improvement will be removed from the personnel record after two (2) years from the date of issuance, provided the employee has received no further discipline nor been notified in writing of pending discipline.

C. Reprimand

A reprimand will be given by the Area Superintendent or department manager as appropriate upon recommendation of the employee's immediate supervisor. The reprimand will serve as official notice to the employee that the employee's performance or behavior is seriously below standard and that continuation of such performance or behavior will subject the employee to more serious disciplinary action, including possible discharge. When appropriate, the written reprimand may be used in conjunction with a Plan for Individual Improvement in the same manner as set forth in Subsection B above. The employee shall receive a copy of the reprimand at the time it is prepared and a copy shall be sent to the POA. The employee will have the opportunity to read and sign the reprimand and Plan prior to its being placed in the employee's personnel file. Should the employee refuse to sign, that fact should be noted on the document, initialed or signed by the employee unless refused, and then entered into the employee's personnel file.

The employee shall have thirty (30) calendar days within which to submit a written response to the reprimand.

If one is submitted, the employee's written response shall be attached to the reprimand and filed in the employee's personnel file. The employee's response shall be directed to the Area Superintendent or department manager as appropriate.

1. Employees will have the right to POA representation when responding to reprimands.
2. At the employee's written request, a reprimand and Plan will be removed from the personnel record after two (2) years from the date of issuance, provided the employee has received no further discipline nor been notified in writing of pending discipline.

SECTION 17.5 - PROPERTY LOSS DISCIPLINE

The District may take more formal disciplinary action for cause in the form of suspension, demotion or discharge.

A. Suspension

A suspension is the temporary removal of an employee from the employee's duties without pay. Suspension without pay should generally be used when all other positive means have been tried without success and the Department Manager has reason to believe that the suspension will bring about the improvement needed in the employee's performance or behavior. Suspensions can only be imposed by the Assistant General Manager, upon recommendation from the Department Manager. Suspensions shall not exceed thirty (30) calendar days.

B. Demotion

A demotion is the transfer of an employee from a position in one class to a position in another class which results in a reduction in compensation rate. Demotions can only be imposed by the General Manager, upon recommendation by the Assistant General Manager.

C. Discharge

A discharge is the termination of the employee from the employment of the District. A discharge can only be imposed by the General Manager, upon recommendation by the Assistant General Manager.

SECTION 17.6 - APPEAL

The decision to reprimand, suspend, demote or discharge may be appealed by the affected employee only through the established Grievance Procedure set forth in Article 15. Lesser forms of discipline are not subject to appeal, except when a Peace Officer is entitled to an administrative appeal under the Public Safety Officers Procedural Bill of Rights Act as provided by Section 15.1(B). Where an administrative appeal is required by the Public Safety Officer's Procedural Bill of Rights the procedures set out in Section 15.2(B) shall apply.

SECTION 17.7 - NOTICE OF INVESTIGATION

When any employee is under investigation for an incident that could result in disciplinary action, the affected employee shall be notified in writing within sixty (60) working days of a supervisor's knowledge of the incident (or the most recent in a series of incidents).

Specifically excluded from the requirement to provide a Notice of Investigation are customary contacts in the normal course of duty, verbal counseling, instruction, informal verbal admonishment, oral warnings, or other routine or unplanned contact with an employee.

Final determination on the imposition of disciplinary action shall be made within a reasonable time. During the investigation, the District shall keep the employee apprised of its progress and likely completion date.

SECTION 17.8 - NOTICE OF INTENT TO IMPOSE DISCIPLINE

Written notice of suspension, demotion or discharge must be served on the employee in person or by certified mail prior to the disciplinary action becoming effective. A copy of the notice shall be sent to the POA upon written request of the employee. The notice shall include:

1. Statement of the nature of the disciplinary action.
2. Effective date of the action.
3. Statement of the grounds thereof.
4. Statement in ordinary and concise language of the acts or omissions upon which the grounds are based.
5. A statement of the employee's right to respond, either orally at a meeting requested by the employee, or in writing. The employee shall have the opportunity to respond and be served with notice of final action in person or by certified mail prior to the action becoming effective. The opportunity to respond shall normally take place within seven (7) working days following the initial notice of intended action.
6. A statement advising the employee of the right to appeal through the grievance procedure and the right to POA representation.

SECTION 17.9 - ELECTRONIC RECORDING

Electronic recording of the pre-discipline conference shall require the mutual consent of the District and the employee subject to discipline. The District reserves the right to electronically record all investigatory interviews provided advance written notice is given to the employee subject to investigation. If an electronic recording is made of the investigatory interview, the employee shall be provided a copy of the tape if any further disciplinary proceedings are contemplated or prior to any further investigatory interviews at a subsequent time. In addition, if the District transcribes the electronic recording of an investigatory interview, it shall provide the employee with a copy of the transcript.

ARTICLE 18 - PROBATIONARY PERIOD**SECTION 18.1 - LENGTH OF PROBATION****A. Initial Hires**

All persons appointed to the regular position of Ranger/Lead Ranger/Supervising Ranger, required to attend an assigned ranger academy shall be "at will" until they complete an assigned ranger academy and the District's Field Training Program (FTP). All persons who are not required to complete a ranger academy shall be "at will" until they complete the District's Field Training Program. Upon successful completion of the FTP, they shall serve a standard probationary period of at least twelve (12) consecutive months.

B. Promotional Appointments**1. Ranger**

All persons promoted to the regular position of Ranger who have satisfactorily passed the probationary period of their current position shall complete an assigned ranger academy, if required, and the District's Field training Program (FTP). Upon successful completion of the FTP, they shall serve a standard probationary period of at least twelve (12) consecutive months.

2. Lead Ranger/Supervising Ranger

All persons promoted to the regular position of Lead Ranger/Supervising Ranger who have satisfactorily passed the probationary period of their current position and have served as a

Ranger/Lead Ranger for the District shall complete a standard promotional probationary period of at least twelve (12) consecutive months.

SECTION 18.2 - EXTENSION OF PROBATION

In the event a probationary employee misses more than four (4) weeks, from their normal duties, the District may extend the probationary period by an amount not to exceed the period of time missed. In the event the probationary employee's absence exceeds the equivalent of the employee's standard probationary period, the District may require the employee to serve a new probationary period as a condition of returning to work with the District. In the event the employee has not successfully completed any required training prior to the end of probation, the probationary period may be extended up to a maximum of three (3) months.

SECTION 18.3 - REJECTION FROM ORIGINAL PROBATION

A probationary employee can be rejected from probation at any time during his or her probationary period. The decision to reject an employee from probation is not subject to the Grievance Procedure or discipline appeal procedure of these Terms.

As an alternative to rejecting the employee from probation, the District may extend the employee's probationary period. The employee must receive written notice of the extension prior to the expiration of the employee's initial probationary period, and the extension shall not exceed three (3) months.

SECTION 18.4 - REJECTION FROM PROMOTIONAL PROBATION

In the case of promotional appointment, a promoted employee may, at any time during the probationary period, be rejected from probation and reinstated in the class designation from which they were promoted. If the reinstatement necessitates the layoff of another District employee currently filling the position, the choice of which employee will be laid off will be based on Article 16, "Layoffs."

ARTICLE 19 - CONTRACTING OUT

Except in cases of emergency, the District will give thirty (30) days' prior written notice to the bargaining unit of its intent to contract-out for services in any manner that triggers a negotiation obligation under the Meyers-Milias Brown Act ("MMBA"). Mutual aid and cooperation agreements between the District and other government agencies are excluded.

The bargaining unit shall have the opportunity to meet and confer with the District prior to such District action. In cases of emergency, the POA shall have the opportunity to meet and confer at the earliest practicable time following such District action.
