Approval of Salary Adjustments and Amended Classification and Compensation Plan for Board Appointee Controller

BOARD APPOINTEE EVALUATION COMMITTEE’S RECOMMENDATIONS

As a result of the Board of Director’s (Board) evaluation of the performance of the Midpeninsula Regional Open Space District’s (District) Board Appointees for Fiscal Year 2021-22 (FY22), the Board Appointee Evaluation Committee recommends the following compensation adjustments for the Controller for FY23: Adjust the Controller’s base salary upward to $51,223, plus a one-time merit pay bonus of $1,537.

The Board Appointee Evaluation Committee recommends the adoption of a resolution approving the salary adjustments. The Board Appointee salary changes will be adopted through the Board approved Classification and Compensation Plan.

DISCUSSION

The Board Appointee Evaluation (BAE) Committee was established to conduct the evaluation process for its Appointees. The BAE Committee was instructed to serve as the District’s negotiator and met with the Board Appointees to discuss their performance and compensation. The Board has three appointees: the General Manager, the Controller, and the General Counsel.

The Board, working through the BAE Committee, implemented this process and completed this year’s annual evaluation of the performance of the Controller during the summer through fall of 2022.

The Controller met all performance standards and critical deadlines for FY22. Overall, the Board is very pleased with the Controller’s excellent performance during FY22. He continues to be an extremely valuable employee in his role as Controller, and the Board appreciates his dedication and passion for the District’s mission. His long-term financial perspective provides a valuable institutional memory for the Board and the staff. His 30-year financial model has been an effective tool and resource for the Board and the District’s short-term and long-term business planning. His role as the District’s Controller has evolved over his many years at the District. He has consistently added significant value to the Board and has been a valuable resource for the senior management team. During FY22, the Board has appreciated the Controller’s focused investigations into several items of interest to the Board and his sensitivity to any impacts on staff.
Based on his excellent performance for FY22, the BAE Committee recommends providing the Controller compensation noted above. Salary changes will be adopted through the Board approved Classification and Compensation Plan.
