

Permit Parking Use Information December 12, 2019

The information below is provided in response to a request from the PAWG to provide permit parking and activity use for Allen Road and Event Center permit lots. The Event Center was acquired in 2013; permit counts started in 2014. Limited access is provided to the Allen Road location due to an agreement with property owners along this private road.

The below numbers reflect permits only and not the number of total vehicles. A permit could apply to several vehicles, but the majority are for one to two cars. The activities listed have been primarily for hikes or field trips, search and rescue trainings, scattering of ashes, photography, annual bird counts, landscape painting, a wedding, and a classical music recording.
