## AGENDA ITEM 6

### AGENDA ITEM

Establishing Fiscal Year 2015-2016 Tax Levy for the Midpeninsula Regional Open Space District's General Obligation Bonds - Series 2015A and Series 2015B

### GENERAL MANAGER'S RECOMMENDATION

A handwritten signature in black ink, appearing to be "S. J. ...", written over the end of the "GENERAL MANAGER'S RECOMMENDATION" heading.

Adopt Resolutions of the Board of Directors of the Midpeninsula Regional Open Space District for each of San Mateo, Santa Clara and Santa Cruz Counties to establish an ad valorem property tax levy of \$1.10 per \$100,000 (or \$0.0011 per \$100) in assessed value for the District's General Obligation Bonds – Series 2015A and Series 2015B (Measure AA).

### SUMMARY

On June 3, 2014, voters of the District approved the passage of Measure AA under which the District is authorized to issue up to \$300 million of general obligation bonds (Bonds) over thirty years to finance Measure AA capital projects. By Resolution 2015-19 adopted on May 13, 2015, the Board of Directors authorized the issuance of up to \$45,000,000 as the first tranche of the Bonds.

The most recent financing schedule for the first tranche is as follows:

- July 17 Ratings received from Fitch and Standard & Poor's
- July 20 Distribution of the Preliminary Official Statement (POS)
- July 28/29 Pricing of the bonds
- August 13 Closing of the bond sale

### DISCUSSION

Debt service payments on the Bonds are paid through ad valorem taxes on all taxable property within the District. Based on the estimated debt service schedule received from the underwriters, and tax revenue projections provided by the District's Tax Administration Consultant (Goodwin Consulting Group), the Board is asked to approve resolutions for each of the three Counties authorizing the placement of an ad valorem property tax levy of \$0.0011 per \$100, or \$1.10 per \$100,000 in assessed value.

### FISCAL IMPACT

The establishment of the ad valorem property tax levy will provide the District with sufficient revenues to pay related debt service on the issuance of \$45,000,000 of general obligation bonds, which are scheduled to be sold at the end of July 2015.
