GENERAL MANAGER'S RECOMMENDATIONS

1. Adopt a resolution approving the Memorandum of Understanding with the Midpeninsula Regional Open Space District Field Employees Association, for a term of July 1, 2015, through June 30, 2018.
2. Adopt a resolution approving the Salary and Benefits for the Office, Supervisory, and Management employees, effective July 1, 2015.
3. Approve an update to the District's Fiscal Year 2015-16 Classification and Compensation Plan.
4. Approve the new "Lead Ranger" classification.

SUMMARY

A new Memorandum of Understanding (MOU) with the Field Employees Association (FEA) has been negotiated for a three-year term expiring June 30, 2018. The provisions of the new MOU were ratified by FEA membership on June 27, 2015. The provisions agreed to during negotiations achieve a new level of cooperative interests between the District and the FEA not previously achieved. The new MOU is clearer and more concise in its language, which will help to minimize misinterpretations between the parties. It is also up to date with applicable state and federal law and contains an economic package for the FEA that is competitive and in alignment with Board Policy 2.03 *Employee Compensation Guiding Principles*. The General Manager recommends approval of the new MOU by adoption of the attached resolution, approval of related classifications, and updating the FY 2015-16 Classification and Compensation Plan.

The General Manager also recommends approval of salary and benefit adjustments to the Office, Supervisory, and Management employees that are equivalent to the adjustments approved for the FEA. Approval of the attached resolution for Office, Supervisory, and Management (OSM) employees and an update to the FY 2015-16 Classification and Compensation Plan will enable the District to implement these changes.

DISCUSSION

Background

The Field Employees Association is the exclusive labor relations bargaining representative for the District's Open Space Technicians, Lead Open Space Technicians, Equipment Mechanic Operators, Farm Maintenance Worker, and Rangers. On November 28, 2012, the District approved a three-year contract with the FEA (R-12-118) which covered a period from July 1, 2012 through June 30, 2015.

The District and the FEA entered into contract negotiations in March 2015. The FEA's negotiating team was comprised of Tim Cantillon, Labor Representative from Goyette and Associates; Grant Kern, FEA Board President and Equipment Mechanic Operator; Don Mackessy, Lead Open Space Technician; Eric Stanton, Equipment Mechanic Operator; Elisa Stanton, Alex Hapke, and Anthony Correia, Rangers. The District's negotiating team included Jack Hughes, Labor Attorney from Liebert, Cassidy and Whitmore; Kevin Woodhouse, Assistant General Manager; Michael Newburn, Operations Manager; Hilary Stevenson, Assistant General Counsel; and Candice Basnight, Human Resources Supervisor.

The District and the FEA negotiating teams successfully reached tentative agreement on the proposed three-year MOU on June 11, 2015. The tentative agreement was ratified by a FEA majority on June 27, 2015.

In the past, the Board has approved the same economic changes for the Office, Supervisory and Management employees as for the FEA. The General Manager recommends continuing this practice for the next three years in order to maintain District-wide alignment within the compensation plan and to consistently administer benefits. Compensation for the three Board Appointees is considered separately as part of their annual contract renewal process.

Summary of New MOU for FEA and Changes for OSM Employees

Attachment 3 provides a detailed list of negotiated provisions in the FEA MOU. The Final MOU language is attached to the Resolution in Attachment 1. Economic changes for OSM employees are detailed in the attachment to the Resolution provided in Attachment 2. The economic package for the FEA and OSM employees, as well as other important negotiated agreements with the FEA is summarized below.

Salary Adjustments – The following salary increases will be effective at the beginning of the pay period, which includes each specified effective date.

- Year 1: 3% salary adjustment upon ratification and board approval, except for the position of Equipment Mechanic Operator which will receive an 8% salary adjustment. The General Manager recommends this salary adjustment be retroactive to July 1, 2015;
- Year 2: Effective July 1, 2016, a salary adjustment equal to the San Francisco Area Consumer Price Index for all Urban Consumers (CPI) for the year preceding the adjustment from February to February. The salary adjustment shall be not less than 2% or greater than 3%;

- Year 3: Effective July 1, 2017, a salary adjustment equal to the CPI for the year preceding the adjustment from February to February. The salary adjustment shall be not less than 2% or greater than 3%.

New Classification -- Creation of a “Lead Ranger” classification, established at 5% above the Ranger classification. (In addition, the Lead Open Space Technician (“LOST”) job description has been revised to clarify that the LOST is responsible for supervising Seasonal Open Space Technicians as shown in Attachment 6.) The creation of the Lead Ranger classification and the change to the LOST responsibilities provide additional opportunities for skill development and career growth to the Ranger and Maintenance staff. Promotions of internal staff to higher levels of leadership in the District become more feasible with the new and revised classifications. These changes also serve to attract and maintain a qualified workforce and prepare the District to increase field staffing levels in the future.

Medical Benefits – Effective the first pay period at the beginning of the month following contract ratification and District Board approval, the District contribution to medical insurance Cafeteria Plan will increase approximately \$150 per month for each coverage tier:

	Current Contribution	New Contribution
Employee Only	\$662	\$810
Employee + 1	\$1,225	\$1,375
Family	\$1,563	\$1715

If the employee selects a plan with a greater premium cost than the District contribution, the employee will pay the additional premium cost. If the employee selects a plan with a lower premium than the District contribution, an employee will have contributions remaining in the Cafeteria Plan and may apply this to other qualified benefit costs or receive the difference in cash. If the employee elects to waive medical coverage, the employee will receive an amount equal to one-half of the District’s Employee Only contribution. The waiver may be applied to other benefit costs or received in cash.

In the past the District’s contribution to medical benefits was set by a formula tied to the lowest cost medical plan, which fluctuated annually. The new formula provides for a more predictable economic impact to individual employees and the District. In the second and third year of the agreement, increases to the District contribution to medical will be based on the CPI, with a guaranteed increase of at least 2% but not more than 3%, which also provides stability in costs to the employee and District.

- Year 2: Effective July 1, 2016, District Cafeteria Plan contributions will be adjusted according to the CPI from February to February. The July 1, 2016 Cafeteria Plan adjustment will be no less than 2% or greater than 3%.
- Year 3: Effective July 1, 2017, District Cafeteria Plan contributions will be adjusted according to the CPI from February to February. The July 1, 2017 Cafeteria Plan adjustment will be no less than 2% or greater than 3%.

Other Provisions – The new MOU includes approximately 50 additional negotiated changes or edits. As summarized in Attachment 3, many of these are minor, yet important language

clarifications that will help prevent future misinterpretations of the MOU and ensure compliance with state or federal law. Other agreements were negotiated based on cooperative interests between the FEA and the District. The list below highlights some of these changes to the MOU:

- Transition of the Volunteer Program Lead (VPL) position into the FEA: The FEA petitioned and Management approved the addition of the VPL to the FEA ranks in March of 2015. The new MOU reflects this change.
- Steps toward evaluation of safety retirement eligibility and costs: The FEA requested that the District contact CalPERS to determine which FEA classifications, if any, are eligible for safety retirement. The District agrees to initiate the evaluation and request actual cost-analysis from CalPERS if desired by FEA.
- Catastrophic Leave Bank program: This program is designed to assist District employees who have exhausted paid leave time due to serious, catastrophic or debilitating illness or injury to themselves or immediate family members. These employees may receive donated leave from fellow District employees who volunteer to contribute leave time to the catastrophic leave bank. The new MOU slightly changes this program to allow anonymous donation and use of catastrophic leave time (administered by the Human Resources department), and allows the program to be closely monitored to ensure that recipients of catastrophic leave only receive contributions for the amount of time recipients are absent from work.
- Housing Policy review: The District and the FEA will discuss updates to the District's policy governing employee use of District owned housing.
- Appendix C removal: Appendix C of the 2012-2015 MOU which defined extended leave for District employees under the Federal Family Medical Leave Act (FMLA) and the California Family Rights Act (CFRA) are removed from the new MOU. These policies will be revised and included in an updated District Personnel Policies and Procedures Manual which applies to all District employees, FEA, OSM, and Board Appointees where applicable and required by law.

BOARD COMMITTEE REVIEW

This item was not reviewed by Committee. Negotiating authority was provided by the full Board to the General Manager in closed sessions during the course of negotiations.

FISCAL IMPACT

Approval of the MOU with the FEA, and implementation of compensation changes for both FEA and OSM employees, is estimated to cost the District up to \$2.14 million over the next three years based on current staffing levels. This cost estimate assumes the maximum increase to the CPI of 3% for both Year 2 and Year 3. A breakdown of the estimated costs between FEA and OSM employees is provided in the chart below.

Total Cost of Compensation Package

	FEA	OSM EEs	Total
2015-16	\$227,441	\$391,701	\$619,142
2016-17	\$239,163	\$520,387	\$759,550
2017-18	\$248,551	\$508,026	\$756,577
3 Year Total	\$715,155	\$1,420,114	\$2,135,269

The addition of 18 positions, nine in Year 2 and nine in Year 3, was also modeled to evaluate the impact of the recommended compensation changes and the changes were determined to be sustainable.

MOU

ARTICLE 1- PREAMBLE

This Memorandum of Understanding (hereinafter, "Agreement" or "MOU") is entered into by the Midpeninsula Regional Open Space District, a public agency, (hereinafter, "District") and the Midpeninsula Regional Open Space District Field Employees Association (hereinafter, "Association"). This Memorandum of Understanding incorporates by this reference all appendices attached.

ARTICLE 2 - ASSOCIATION RECOGNITION/SECURITY

SECTION 2.1 - RECOGNITION

The Midpeninsula Regional Open Space District recognizes the Midpeninsula Regional Open Space District Field Employees Association as exclusive bargaining representative for all employees in the classifications of Ranger/Lead Ranger, Lead Open Space Technician, Open Space Technician, Equipment Mechanic Operator, Volunteer Program Lead, Farm Maintenance Worker, and any other classification that the District adds to the bargaining unit. Existing job classifications may be retitled but are nonetheless represented by the bargaining unit unless expressly removed by the District.

SECTION 2.2 - ASSOCIATION SECURITY

A. New Hires

When a person is hired in any of the covered job classifications, the District shall notify that person that the Association is the recognized bargaining representative for the employee's representation unit and give the employee a current copy of the MOU. In addition, the District shall have new hires complete an authorization form for payroll deduction of Association dues or service fee in amounts determined by the Association. The service fee amount shall not exceed the standard periodic dues and general assessments of the Association. Once the Association notifies the District of the bi-weekly dues and service fee amounts, those amounts will remain the same and may only be changed once annually thereafter.

B. Agency Shop

Bargaining unit members employed by the District as of the ratification date of this MOU shall either join the Association and authorize payment of Association dues, or authorize payment of the service fee. Bargaining unit members who are members of the Association may resign membership and opt for agency fee status. Any Association member may exercise his or her rights to resign by giving written notice to the Association and District.

C. Religious Objection to Association Dues

In the event an employee states a religious objection to paying the Association fees, the District will notify the Association and will not require the employee to complete a payroll deduction authorization form.

D. Objections to Amount of Agency Fee

A non-member unit employee who is subject to the payment of an agency fee hereunder, shall have the right to object to any part of that fee payable by him or her which is in aid of Political Action committees, or of activities or causes of a partisan political or ideological nature, or that is applied toward the cost of benefits available only to Association members, or that is utilized for expenditures that are not necessarily or reasonably incurred for the purpose of performing the duties incident to meeting and conferring or administering the MOU. An employee shall not be required to pay an agency fee until that fee has been calculated as provided in Section 2.2(D)(1) below and after any appeal that the employee makes under Section 2.2(D)(2) below.

MOU
July 1, 2015 to June 30, 2018

1. The Association shall be fully responsible for expending funds received under this article in a manner that is consistent with all legal requirements and limitations for expenditures of representation service fees or employee dues which are applicable to public sector labor organizations. Prior to a non-member unit employee having any obligations to pay a representation service fee hereunder, the Association shall make available a detailed financial report in the form of a balance sheet and an operating statement certified as to its accuracy and completeness by its President and Treasurer or corresponding Principal Officer or by a Certified Public Accountant. A timely copy of financial reports required under applicable law shall satisfy this requirement. The Association agrees to update and provide this financial information to unit employees and the District on or before September 1 of each calendar year that there is one or more employee required to pay an agency fee. This financial information must itemize and adequately describe all categories of expenses. This financial information must cover local expenditures as well as uses made by county, state, national and international organizations with which the Association is directly or indirectly affiliated and to whom the Association transmits a portion of its dues and/or representation service fee funds.
2. The Association shall draft a lawful agency fee appeal procedure within 90 days of adoption of this Agreement and shall submit the procedure to the District for legal review. Once approved by the District, this appeal procedure will be available to non-member unit employees who object to the payment of any portion of the representation service fee. Such procedure shall provide for a prompt decision to be made and the impartial decision-maker jointly selected by the association and the objecting employee(s). The Association shall make available a copy of such procedure to non-member unit employees and the District prior to the time that any non-member unit employee becomes subject to the payment of representation service fees.
3. When an authorized agent of the District is served with written notice by a non-member unit employee or employees, or by the Association, that a dispute exists involving employee rights with respect to: 1) representation service fee expenditures or associated Association obligations; or 2) the employee exemption described in this section, the Association shall thereafter deposit such disputed dues or fees in an interest bearing escrow or comparable account pending final resolution of the dispute, and shall so advise, in writing, the other and the complaining employees. The District shall not be obligated to take any other or further action pending the resolution of the dispute. Final resolution as used in this subdivision shall mean resolution of the dispute by way of legally binding settlement agreement between the employee(s) and the Association, or non-appealable final judgment of an administrative agency, the Public Employment Relations Board and/or court of competent jurisdiction. The sole obligation of the District with respect to such disputes is as set forth in this paragraph. The District shall not be made a party to administrative or court proceedings, except to the limited extent when such administrative body and/or court determine such to be necessary for the purpose of enforcing its order or judgment.
4. The District shall not be liable to the Association, employees, or any other party by reason of the requirements of this Section 2.2 for the remittance or payment of any sum other than the constituted actual deductions made from an employee's wages earned. The Association shall hold the District harmless against any and all claims, demands, suits, orders, judgments or other forms of liability that may arise out of or by reason of action taken by the employer under this Section 2.2, including but not limited to the collection and procedures for collection of Association dues, Association service fees, and reasonable

cost of the District's attorney fees and costs, along with reasonable cost of management preparation time as well. The District shall not be made a party to any administrative or court proceedings to determine Association dues and/or fees. The District may select and utilize outside counsel of its choice at Association expense if it deems it appropriate or otherwise necessary to address any third party matter arising under Section 2.2 of this Agreement.

E. Revocation of Agency Shop

The agency shop provisions of this Article may be revoked by the Association membership in the manner provided under Section 3502.5(b) of the California Government Code. In the event of revocation, provisions for Maintenance of Membership shall remain in force. Notwithstanding any of the above, Agency Shop and Maintenance of Membership provision shall also expire at any point when the Association ceases to be the recognized collective bargaining representative for the unit.

F. Acknowledgement

The parties acknowledge that the Association does not contain management employees and that the law precludes the parties from applying agency shop requirements to such employees.

SECTION 2.3 - NOTICE OF CHANGES

The Association shall be informed reasonably in advance in writing by the District before any proposed changes not covered by this Agreement are made in benefits, working conditions or other terms and conditions of employment which require negotiations under applicable labor relations law.

SECTION 2.4 - FEA REPRESENTATIVE/RELEASE TIME

The Association shall notify the District of the names of FEA Board Officers within ten (10) working days of the final election results.

The bargaining unit will receive reasonable amounts of release time, with forty eight (48) hours' prior notification to and approval from the Department Manager and notification to their Supervisor and Human Resources Supervisor, from their duties, with no loss of pay or benefits. The Association and District will make every effort to schedule meetings at times, dates, and locations that would minimize any adverse impact on District operations.

Up to four (4) Association Representatives may be released for purposes of collective bargaining for a new labor agreement.

Up to three (3) Association Representatives may be released for purposes of negotiating over any other matter within the scope of representation that requires negotiation.

The number of employees released for handling grievances or disciplines shall not exceed one (1) at any time.

SECTION 2.5 - ASSOCIATION NOTICES AND ACTIVITIES

A. Bulletin Boards

The District agrees to provide bulletin board space for Association notices at all field offices. If the Association posts any material which the District deems inappropriate, the Association agrees to meet to discuss the challenged material within 48 hours (excluding holidays and weekends) of notice from the District. All material posted shall not be obscene and shall not constitute harassment, discrimination or retaliation based on a legally protected status. The Human

Resources Supervisor or his/her designee reserves the right to remove any material posted in violation of this section if the Association refuses to remove the material on its own.

B. Communication

The Association may distribute information and material to and receive information and material from employees through normal channels. For purposes of this Section, normal channels shall refer to the District's Pony system, e-mail, facsimile machine and telephone.

C. Visit by Field Representative

The Association Labor Representative may have access to unit employees at either field office (Skyline and Foothills). The Labor Representative shall be allowed reasonable contact with employees, provided such contact does not interfere with employees' work. Pre-arrangement for contact with unit members shall be made with the Department Manager.

D. Board Meeting Agendas

The District shall provide the Association with agendas for Regular and Special Meetings of the Board of Directors and packet materials at no charge. The District shall also provide the Association with agendas for the Board of Directors Legislative, Finance, and Public Affairs committee meetings. Agendas shall be e-mailed to the Association's designated representative prior to the respective Board meetings.

E. Flex Schedule to Attend Board Meetings

The District agrees, with at least 48 hours prior notice, to allow flex scheduling for one member of the unit, without impact to work duties and responsibilities, to attend public Board meetings of the Midpeninsula Regional Open Space District, (including public standing committee meetings), which are scheduled during an interested employee's regularly scheduled work hours, as long as minimum staffing requirements are met. The Association agrees that the District will not pay any split shift differentials as a result of flex scheduling under this provision.

SECTION 2.6 - HOLD HARMLESS

The Association hereby agrees to defend, indemnify and hold harmless the District and its officers and employees from any claim, loss, liability or cause of action of any nature whatsoever arising out of operation of this Article.

SECTION 2.7 - SAFETY COMMITTEE

The bargaining unit shall choose three (3) field staff representatives for the District safety committee. The representatives shall come from the bargaining unit at large, except no more than two (2) shall come from any geographical area. When there are two (2) from the same geographical area, they must be from different classifications. (For purposes of this section, Open Space Technician, Lead Open Space Technician, Equipment Mechanic-Operator, Volunteer Program Lead and Farm Maintenance Worker are considered one classification.)

SECTION 2.8 - HOUSING

During 2015, the District and the FEA will discuss updates to the District's policy governing employee use of District-owned housing.

ARTICLE 3 - NO DISCRIMINATION

All employees must comply with the District's Nondiscrimination and Sexual Harassment Policy and applicable Federal and California laws.

MOU
July 1, 2015 to June 30, 2018

ARTICLE 4 - DISTRICT RIGHTS

Except as expressly limited by this Agreement, and as thereafter amended or modified, it is understood and agreed by the Association that the District retains all of its powers to direct, manage and control the affairs of the District to the full extent of the law. Included in, but not limited to, those duties and powers are the exclusive right to: determine its organization; direct the work of its employees; determine the times and hours of operation; determine the kinds and levels of services to be provided and the methods and means of providing them; establish District policies, goals and objectives; maintain the efficiency of District operations; acquire District property; build, move or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue; and contract out work. In addition, the District retains the right to hire, classify, assign, evaluate, promote, terminate and discipline employees.

ARTICLE 5 - SCHEDULES, OVERTIME AND CALL-BACK TIME

SECTION 5.1 - OVERTIME

A. Work Period

The work period for employees shall be regular and recurring, commencing at 12:00 a.m. on Monday and ending at 11:59 p.m. on Sunday, unless an alternative work schedule necessitates a different work period to prevent schedules from creating overtime.

Except for emergency or other situations declared by an Area Superintendent or any District Manager, the following shall apply:

1. Rangers/Lead Rangers shall be assigned to a work schedule of either a) five (5) days per week, eight (8) continuous hours per day with two (2) consecutive days off or b) an alternate work schedule as defined below in Section 5.3.
2. Open Space Technicians/Lead Open Space Technicians/Equipment Mechanic-Operators/Farm Maintenance Workers/Volunteer Program Lead shall generally be assigned to a work schedule of either a) five (5) days per week, of eight (8) continuous hours each with two (2) consecutive days off or b) an alternate work schedule as defined below in Section 5.3.

B. Overtime

Overtime shall be defined as that time authorized and actually worked by an employee in excess of the scheduled workday or in excess of forty (40) hours within the work period, exclusive of a non-paid meal period. Overtime work may be ordered or authorized by a District Manager, Area Superintendent, or the employee's immediate supervisor. Any hours in paid District status will count as "hours worked" for purposes of determining overtime. Employees shall be compensated at the rate of one-and-one-half (1 ½) times the employee's regular hourly rate of pay for hours worked in excess of the scheduled workday or forty (40) hours in the work period. This Section shall not apply to part-time employees unless the workday exceeds eight (8) hours, or the scheduled work day, whichever is greater.

MOU

July 1, 2015 to June 30, 2018

C. Compensatory Time Off

Employees may request compensatory time off (CTO) in lieu of overtime pay. Use of CTO shall be approved in advance by the supervisor. CTO shall be computed at a rate of one and one-half (1 ½) times the overtime hours worked. The request for CTO shall be made when the employee submits his/her time card.

Employees may accumulate up to thirty-three and one-third (33 1/3) hours of extra hours (50 hours of CTO). Once the cap is reached, employees shall be paid for all overtime worked.

Employees may cash out all or a portion of their accumulated CTO at any time. The request must be made in writing and submitted with the employee time card.

The District may elect to pay probationary employees overtime pay in lieu of CTO accrual for overtime work as a result of training.

SECTION 5.2 - CALL-BACK TIME

Employees on call-back time away from their residences are entitled to rest breaks and meal periods as follows:

A. Rest Breaks

After two (2) consecutive hours the employee is entitled to a ten (10)-minute paid rest break.

B. Meal Period

After four (4) consecutive hours, the employee is entitled to a thirty (30)-minute meal period. The meal period may be paid or unpaid on the same basis as meal periods during the regular shift.

C. Minimum Call-Back

Any employee not residing in District housing, called back to work from his/her residence outside of his/her regular work hours, will receive a minimum of three (3) hours of call-back time paid at time and one-half (1½) commencing upon arrival at the employee's work station. A total of one (1) hour of commute time, to and from the employees work station, shall be provided for and included in the (3) hour minimum call-back time.

Any employee residing in District housing, called back to work from his/her residence outside of his/her regular work hours, will receive a minimum of one (1) hour of call-back time paid at time and one-half (1½) commencing upon logging-on to dispatch.

SECTION 5.3 - ALTERNATE WORK SCHEDULES

The District will generally make available alternate work schedules in each geographical area subject to the guidelines below. The District reserves the right to revert to a 5/8 schedule, and to make work period and work schedule adjustments any time up to the start of each workweek to address the business needs of the District, including, but not limited to, unplanned staff shortages, volunteer projects, special events, training, special work assignments, and other project staffing needs.

A. 9/80 Maintenance Schedule

1. The 9/80 schedule will be the regular year round schedule assigned to all OST/LOST/EMO positions in each geographical area.

MOU
July 1, 2015 to June 30, 2018

2. A 9/80 schedule will normally alternate between a week of five (5) consecutive work days, consisting of one eight (8) hour workday and four nine (9) hour days, followed by three (3) consecutive days off and a week of four (4) consecutive nine (9) hour workdays each, followed by two (2) consecutive days off. The Fair Labor Standards Act work week for the 9/80 schedule begins at the midway point on the day of the week that is opposite the day off. No employee on a 9/80 alternative work schedule is entitled to daily overtime as a result of working the scheduled hours in his or her alternate schedule.

B. 4/10 Maintenance Schedule

1. The District may assign employees in OST, LOST and/or EMO positions to a 4/10 work schedule.
2. An employee assigned to a 4/10 schedule will normally work the same days each week followed by three (3) consecutive days-off. No employee on a 4/10 alternative work schedule is entitled to daily overtime as a result of working the hours associated with that schedule.

C. 9/80 Ranger/Lead Ranger Schedule

1. The 9/80 schedule opportunity will be available to Rangers/Lead Rangers and will be routed between Rangers/Lead Rangers who are qualified to participate in the program based on seniority within the same field office and the groups sharing common days-off. By December 1, each group of Rangers/Lead Rangers sharing common days off shall meet and alternately select, based on seniority, a four (4) week scheduling period. In the event there are four-week schedules remaining after the initial selection process, the remaining schedules will be made available to other qualified members of the group based upon seniority, rotating until all available pay periods have been filled. Requests may be canceled prior to the fifth Friday of the preceding schedule, except for the final schedule of the calendar year for which an earlier cancellation deadline shall be set. Canceled or otherwise available 9/80 schedules will be assigned on a rotating basis to qualified Rangers/Lead Rangers who have expressed interest prior to the fifth Friday of the preceding schedule.
2. The 9/80 schedule for Rangers/Lead Rangers will be rotated on a scheduling cycle per each change of staff. A 9/80 schedule will normally alternate between a week of five (5) consecutive work days, consisting of one day of eight (8) hours and four days of nine (9) hours, followed by three (3) consecutive days off and a week of four (4) consecutive work days of nine (9) hours each, followed by two (2) consecutive days off. The Fair Labor Standards Act work week for the 9/80 schedule begins at the midway point on the day of the week that is opposite the day off. No employee on a 9/80 alternative work schedule is entitled to daily overtime as a result of working the scheduled hours in his or her alternate schedule.
3. A maximum of two Rangers/Lead Rangers from each geographical team can be scheduled on an alternate 9/80-schedule program if the team has at least four (4) full-time-equivalent (FTE) rangers working independently. If the team has only three FTE rangers, then only one (1) staff member for that team can have the 9/80 schedule. If the Ranger/Lead Ranger team has less than three FTE team members available to work an alternate schedule as a ranger, then the 9/80 schedule will be discontinued. Minimum staffing will continue to be a priority over alternate scheduling.

MOU
July 1, 2015 to June 30, 2018

4. The 9/80 schedules will not be altered to accommodate vacation requests, other than guaranteed vacations. The eight-hour day will be a weekend day.

D. 4/10 Ranger/Lead Ranger Schedule

1. The District may assign Rangers/Lead Rangers to a 4/10 work schedule. The District will normally assign Rangers/Lead Rangers with the highest seniority to this schedule.
2. An employee assigned to a 4/10 schedule will normally work four consecutive days followed by three (3) consecutive days-off. No employee on a 4/10 alternative work schedule is entitled to daily overtime as a result of working the hours associated with that schedule.
3. The 4/10 schedule will not be altered to accommodate vacation requests, other than guaranteed vacations.

SECTION 5.4 - PAID MEAL PERIODS

1. Rangers/Lead Rangers shall receive a thirty (30) minute paid meal period if: 1) assigned to a patrol shift; 2) assigned to a volunteer project; or 3) responsible for monitoring the radio to respond to emergencies during full day trainings or events.
2. Maintenance staff who are assigned to work a volunteer project for a minimum of four (4) hours in a work day, inclusive of the employee's normal lunch hour, shall be entitled to a thirty (30) minute paid meal period.

SECTION 5.5 - COURT APPEARANCES AND COURT STANDBY STATUS

A. Court Appearances

An employee who is required to appear in court, outside of his/her regular work hours, as a witness in a matter involving the employee which occurred in the course of his/her District duties, will receive a minimum of two (2) hours of callback time paid at time and one-half (1½), as long as the court appearance does not overlap with his/her scheduled shift.

B. Court Standby

An employee who is placed by the court on standby outside of his/her regular work hours as a witness in a matter involving the employee which occurred in the course of his/her District duties, if not in conflict with the instructions of the court, may choose to report to work or remain available to the court away from work. Employees who choose to report to work will receive a minimum of two (2) hours standby time, paid at time and one-half (1½), provided the court appearance does not overlap with his/her scheduled shift.

An employee who chooses to remain available to the court away from work will receive compensation of one-half (½) of their hourly rate of pay for a minimum of two (2) hours, provided the court standby does not overlap with his/her scheduled shift or any other on-duty work time.

MOU
July 1, 2015 to June 30, 2018

ARTICLE 6 - WORKERS' COMPENSATION/ DISABILITY COVERAGE/MODIFIED DUTY

SECTION 6.1 - INDUSTRIAL INJURY/WORKERS' COMPENSATION BENEFITS

If, during the performance of assigned duties, an on-duty employee sustains an on-the-job injury covered by Workers' Compensation, the District shall augment Workers' Compensation, long-term disability, and other benefits in order to provide for full pay for the disabled employee up to a maximum of ninety (90) days in a twelve month period without use of the employee's accrued leave time, except that the employee must use accrued leave time to cover the three (3) day waiting period for Workers' Compensation temporary disability payments, unless the employee is hospitalized as an inpatient or unable to work more than fourteen (14) days.

Employee disability coverage will also apply to follow-up medical appointments that occur during work time as a result of an industrial illness or injury covered by Workers' Compensation. The employee must notify the supervisor of all such medical appointments that occur during work time in the same manner as Section 12.1(C), Sick Leave Reporting.

Employee disability coverage will not be provided if the District offers the employee a modified duty assignment within the employee's medical limitations and the employee declines the modified duty assignment.

SECTION 6.2 – MODIFIED DUTY

In cases of injury or illness, including pregnancy, an employee may return to work for modified duty upon approval of District administration and in consultation with the employee's treating physician. The employee shall receive his/her regular rate of pay during the modified duty. Approval for modified duty shall be based upon the District's ability to provide work consistent with the employee's qualifications, medical limitations, and the length of time of the limitations. The District may consult a physician in determining the employee's work limitations. If there is disagreement between the employee's doctor and the District's doctor, the District may seek a second opinion from its doctor or seek a third doctor's opinion.

Modified duty requests shall be made to the employee's immediate supervisor with appropriate documentation from the treating physician specifying the nature and duration of the work limitations. The supervisor shall review the request and the documentation for completeness and immediately forward them to the Area Superintendent. The Area Superintendent shall then consult with the Human Resources Department and shall determine if appropriate work is available at the employee's workstation before assigning the employee to another workstation. However, employees on modified duty must be willing to accept any modified duty assignment, schedule and/or work location within the District. The decision of the District with respect to modified duty assignments, schedule or work location is final.

The duration of the modified duty assignment is subject to the needs of the District. The provisions of this section are not intended to create any permanent modified duty assignment. If there are more employees who could accept modified duty than there are assignments, and the employees are comparably qualified, preference will go to those injured on the job. The District will make every reasonable effort to accommodate injured employees and offer a modified duty assignment.

ARTICLE 7 - COMPENSATION AND BENEFITS

SECTION 7.1 - COMPENSATION

The salary adjustments referred to in this section shall be effective at the beginning of the pay period which includes each specified effective date.

 - The salary range for “Lead Ranger” will be established at five (5) percent above the Ranger classification.
2. Effective July 1, 2016, all employees in bargaining unit positions shall receive a salary adjustment according to the San Francisco Area Consumer Price Index for All Urban Consumers for the year preceding the adjustment from February to February. The July 1, 2016 salary adjustment shall be not less than two (2.0) percent or greater than three (3.0) percent.
3. Effective July 1, 2017, all employees in bargaining unit positions shall receive a salary adjustment according to the San Francisco Area Consumer Price Index for All Urban Consumers for the year preceding the adjustment from February to February. The July 1, 2017 salary adjustment shall be not less than two (2.0) percent or greater than three (3.0) percent.

SECTION 7.2 - BENEFITS

A. Medical Insurance

The District participates in the CalPERS Health Insurance Program, which offers a choice of several medical plans available to District employees. 6. If the District determines, before or during any Cafeteria Plan year, that the Cafeteria Plan may fail to satisfy any requirements of the Internal Revenue Code for such plan year, the District shall take such action as the District deems appropriate and necessary to ensure that the Cafeteria Plan satisfies the requirements of the IRS Code.

Emergency – In the event of a "Declaration of an Emergency" by an Area Superintendent or any District Manager requiring a shift change without twenty four (24) hours prior notice, the affected employee shall be paid Thirty Dollars (\$30.00). - B. Employees who have concerns about their evaluation shall have the right to schedule a follow-up meeting, with the immediate supervisor to discuss those concerns. An Association representative from the bargaining unit may accompany the employee. This meeting is informal and does not constitute an appeal.
- C. The parties agree that any individual rating on an area other than "Meets Standard" requires an entry in the "Comments" section.
- D. Any "Below Standard" rating in any area must be based upon a violation of an established performance evaluation standard or incidents about which the employee was given notice within 10 working days after the supervisor became aware that they occurred. The supervisor will make clear to the employee when a notice pursuant to this section is taking place. An Interim Progress Report and Probationary Performance Evaluation may be utilized as a notice pursuant to this section.

SECTION 8.2 - SCHEDULE OF EVALUATIONS

B. Regular Employees

1. **Interim Progress Report**
Regular employees will receive Interim Progress Reports concerning their job performance six (6) months after they have completed probation and every twelve (12) months thereafter. Interim Progress Reports do not result in merit pay increases. An overall rating of "Below Standard" on an Interim Progress Report will not result in loss of a merit pay increase.
2. **Annual Performance Evaluation**
Each year, employees will receive a mid-year progress report concerning their job performance six (6) months from their anniversary date. The evaluative period for annual performance evaluations will start on the anniversary date and end one year later. Employees should receive their evaluation within two (2) weeks after the end of the evaluation period. Evaluations may not be presented prior to the end of the evaluation period unless the employee will be on leave or on days-off through the end of that evaluation period.

OVERALL RATINGS/MERIT INCREASES

A. Meets Standard

1. **Ranger/Lead Ranger, Equipment Mechanic-Operator, Lead Open Space Technician, and Volunteer Program Lead**

2. **Open Space Technician and Farm Maintenance Worker**
No more than two (2) areas of performance are rated "Below Standard". A "Meets Standard" rating will result in an automatic five-percent merit increase, until such time as the employee has reached the top of his/her salary range.

2. **Open Space Technician and Farm Maintenance Worker**
More than two (2) areas of performance are rated "Below Standard". A "Below Standard" rating will result in no merit pay increase, but shall be subject to the Appeal Procedure (Section 8.4 below) and the Remediation Process (Section 8.5 below).
3. "Below Standard" ratings in the same area of performance that are consecutive in two (2) Annual Performance Evaluations will result in an Overall Rating of "Below Standard". Such a "Below Standard" rating will result in no merit pay increase but shall be subject to

MOU

the Appeal Procedure (Section 8.4 below) and the Remediation Process (Section 8.5 below).

SECTION 8.4 - APPEAL PROCEDURE

- A. Appeals shall be in writing and shall be filed with the Department Manager no later than ten (10) business days after receipt of the evaluation.
- B. Appeals must be based on the charge that the supervisor abused his/her discretion. "Abuse of discretion" shall mean basing the evaluation on information that is not factual and/or exercising disparate treatment in the evaluation of different employees.
- C. Within thirty (30) days of receipt, a panel shall convene to consider the appeal. The panel shall consist of (1) the Human Resources Supervisor; (2) the employee's representative; and (3) the General Manager or his/her designee.

SECTION 8.5 - REMEDIATION PROCESS

In the event of an overall rating of “Below Standard” that is not changed on appeal (see Section 8.4 above), the employee shall be in Remediation. The purposes of Remediation are: 1) to give the employee and the supervisor an opportunity to work together on correcting deficiencies identified in the evaluation and; 2) to give the employee an opportunity to achieve a “Meets Standard” rating. Remediation will include a Plan for Individual Improvement, which will specify areas where improvement in performance is needed. Remediation can include a temporary or permanent change of duty station. Remediation may include more frequent performance reviews to assist the employee in improving performance. The term of the Plan for Individual Improvement shall be concurrent with the period of Remediation.

- A. The period of Remediation shall be no longer than six (6) months from the original evaluation date.
- B. Employees on Remediation will be reevaluated at three (3) months and six (6) months (if necessary) following the original “Below Standard” evaluation date.
- C. If any of the evaluations in "B" above result in a “Meets Standard” overall rating, the employee shall receive a five-percent merit increase, if the employee has not yet reached the top of his/her salary range, effective the date of that evaluation.
- D. Failure to attain a “Meets Standard” overall rating within the Remediation period may result in disciplinary action pursuant to Article 17. No merit pay increase shall result until the employee attains a “Meets Standard” overall rating. If the employee fails to attain a “Meets Standard” overall rating during Remediation, the employee will not be eligible for a merit pay increase until the employee's next Annual Performance Evaluation.
- E. **Attaining an Overall Rating of Meets Standard**

An oral warning is a verbal notice advising an employee that the employee's behavior or performance must be improved. It defines areas where improvement is needed, sets goals, and informs the employee that failure to improve may result in more serious action. The employee's supervisor will document the oral warning by recording the date and content of the warning and maintain a copy of the documentation. The employee shall receive a copy of the warning at the time the note is prepared. The documentation of the oral warning shall not be placed in the employee's personnel file. However, the incident may be addressed in the employee's performance evaluations and Interim Progress Reports for the evaluation year in which the incident occurred.

B. Written Warning

A written warning is notice to an employee that the employee's performance or behavior must be improved. It contains the same elements as the oral warning. When appropriate, the written warning may be used in conjunction with a Plan for Individual Improvement proposed by the employee's supervisor and approved by the Area Superintendent as appropriate.

MOU

July 1, 2015 to June 30, 2018

Prior to a copy of the written warning and Plan for Individual Improvement being placed in the employee's personnel record, a copy shall be given to the employee and a copy shall be sent to the Association. The employee will have the opportunity to read and sign the warning and Plan prior to its being placed in the employee's personnel record. Should the employee refuse to sign, that fact should be noted on the document, signed or initialed by the employee unless refused, and then entered in the employee's personnel file. The employee shall have thirty (30) days to prepare a written response which will be attached to the written warning in the personnel file. At the employee's written request, the written warning and Plan for Improvement will be removed from the personnel record after two (2) years from the date of issuance, provided the employee has received no further discipline nor been notified in writing of pending discipline.

C. Reprimand

A reprimand will be given by the Area Superintendent upon recommendation of the employee's immediate supervisor. The reprimand will serve as official notice to the employee that the employee's performance or behavior is seriously below standard and that continuation of such performance or behavior will subject the employee to more serious disciplinary action, including possible discharge. When appropriate, the written reprimand may be used in conjunction with a Plan for Individual Improvement in the same manner as set forth in Subsection B above. The employee shall receive a copy of the reprimand at the time it is prepared and a copy shall be sent to the Association. The employee will have the opportunity to read and sign the reprimand and Plan prior to its being placed in the employee's personnel file. Should the employee refuse to sign, that fact should be noted on the document, initialed or signed by the employee unless refused, and then entered into the employee's personnel file.

The employee shall have thirty (30) calendar days within which to submit a written response to the reprimand.

If one is submitted, the employee's written response shall be attached to the in the employee's personnel file. The employee's response shall be directed to the Area Superintendent.

1. Employees will have the right to Association representation when responding to reprimands.
2. At the employee's written request, a reprimand and Plan will be removed from the personnel record after two (2) years from the date of issuance, provided the employee has received no further discipline nor been notified in writing of pending discipline.

SECTION 17.5 - PROPERTY LOSS DISCIPLINE

The District may take more formal disciplinary action for cause in the form of suspension, demotion or discharge.

A. Suspension

A suspension is the temporary removal of an employee from the employee's duties without pay. Suspension without pay should generally be used when all other positive means have been tried without success and the Department Manager has reason to believe that the suspension will bring about the improvement needed in the employee's performance or behavior. Suspensions can only be imposed by the Assistant General Manager, upon recommendation from the Department Manager. Suspensions shall not exceed thirty (30) calendar days.

MOU

July 1, 2015 to June 30, 2018

B. Demotion

SECTION 17.6 - APPEAL

The decision to reprimand, suspend, demote or discharge may be appealed by the affected employee only through the established Grievance Procedure set forth in Article 15. Lesser forms of discipline are not subject to appeal, except when a Peace Officer is entitled to an administrative appeal under the Public Safety Officers Procedural Bill of Rights Act as provided by Section 15.1(B). Where an administrative appeal is required by the Public Safety Officer's Procedural Bill of Rights the procedures set out in Section 15.2(B) shall apply.

SECTION 17.7 - NOTICE OF INVESTIGATION

When any employee is under investigation for an incident that could result in disciplinary action, the affected employee shall be notified in writing within sixty (60) working days of a supervisor's knowledge of the incident (or the most recent in a series of incidents).

Specifically excluded from the requirement to provide a Notice of Investigation are customary contacts in the normal course of duty, verbal counseling, instruction, informal verbal admonishment, or other routine or unplanned contact with an employee.

Final determination on the imposition of disciplinary action shall be made within a reasonable period of time. During the investigation, the District shall keep the employee apprised of its progress and likely completion date.

SECTION 17.8 - NOTICE OF INTENT TO IMPOSE DISCIPLINE

Written notice of suspension, demotion or discharge must be served on the employee in person or by certified mail prior to the disciplinary action becoming effective. A copy of the notice shall be sent to the Association. The notice shall include:

1. Statement of the nature of the disciplinary action.
2. Effective date of the action.
3. Statement of the grounds thereof.
4. Statement in ordinary and concise language of the acts or omissions upon which the grounds are based.
5. A statement of the employee's right to respond, either orally at a meeting requested by the employee, or in writing. The employee shall have the opportunity to respond and be served with notice of final action in person or by certified mail prior to the action becoming effective. The opportunity to respond shall normally take place within seven (7) working days following the initial notice of intended action.
6. A statement advising the employee of the right to appeal through the grievance procedure and the right to Association representation.

MOU

If an electronic recording is made of the investigatory interview, the employee shall be provided a copy of the tape if any further disciplinary proceedings are contemplated or prior to any further investigatory interviews at a subsequent time. In addition, if the District transcribes the electronic recording of an investigatory interview, it shall provide the employee with a copy of the transcript.

MOU July 1, 2015 to June 30, 2018

APPENDIX B - CATASTROPHIC LEAVE PROGRAM

Purpose

The Catastrophic Leave Program is designed to assist District employees (called receiving employees) who have exhausted paid time credits due to a serious, catastrophic or debilitating illness, injury or condition of the employee or of a member of the employee's immediate family (as defined in Section 12.1B.[4]). This program allows other District employees (called donating employees) to make grants of time to a bank maintained by HR so that qualified employees can remain in a paid status for a longer period of time, thus partially reducing the financial impact of the illness, injury or condition. The grants of time donated are converted to sick leave for use by qualified employees.

Conditions for Receiving Employees

There are four criteria for eligibility as a receiving employee. The receiving employee must:

1. Be a regular full- or part-time District employee;
2. Exhaust all available paid leave time, including sick leave*¹, vacation, personal leave, holiday or holiday bank time, and compensatory time off;
3. Have a sustained, serious or debilitating illness, injury or condition which may need to be verified by a doctor's report, or have a member of the immediate family with a sustained, serious or debilitating injury, illness or condition which requires the employee's absence from work to care for the family member;
4. Be prevented from returning to work for at least thirty (30) days and have applied for a disability or family care leave of absence without pay.

To apply to be a receiving employee under the Catastrophic Leave Program, an employee completes an Application for Catastrophic Leave. The application is submitted to the Human Resources Supervisor for approval.

An employee may be asked to submit supporting medical documentation (i.e., a statement from his/her doctor) with the application. Approval or rejection for participation must be made by the Human Resources Supervisor within two (2) weeks after the completed application is submitted. An employee may be asked to verify his/her status for continuing eligibility for the program.

The Human Resources Supervisor will periodically distribute a Donation of Accrued Time Credits form to all District employees so they can specify donations they wish to make to the bank.

Benefits available to a receiving employee participating in the program will be treated as though the additional sick leave credited to him/her belongs to him/her. For as long as a receiving employee remains in a paid status, seniority, sick leave and vacation accrual and all benefits will continue as though the sick leave were his/hers.

The total credits received by the employee shall not exceed the amount of time the employee is required to be absent from work because of his/her medical condition and shall normally not exceed three (3) months; however, if approved by the General Manager, the total leave credits received may be up to a maximum of six (6) months.

Conditions for Donating Employees

Donations must be made to the bank on a form signed by the donating employee and submitted to the Human Resources Supervisor. The District will not identify donors.

*1 In the event the General Manager has refused to extend the eighty (80) hour limit on sick leave usage for care of a family member (Section 12.1B.[4]), such refusal shall render this criterion fulfilled, even if the Receiving Employee retains sick leave on the books.

MOU
July 1, 2015 to June 30, 2018

Employees may donate the following types of accrued time credits:

- ♦Vacation time
- ♦Personal paid leave time
- ♦Holiday bank time
- ♦Compensatory time off (non-exempt employees)
- ♦Sick leave -- one hour of accrued sick leave may be donated for every two (2) hours of other types of accrued leave time

Donations must be made in one-hour increments. The Human Resources Supervisor may utilize appropriate and reasonable mechanisms in administering the donations to assure that:

1. the employee receiving donations does not receive an excessive amount beyond his/her need;
2. employees donating leave have sufficient sick leave time remaining.

These objectives shall be accomplished by requiring that any donating employee has a minimum of forty (40) hours of sick leave balance after the donation is made. The donations will be converted to sick leave time and credited to the receiving employee's sick leave time balance on an hour-for-hour basis. The pay the receiving employee receives will be at his/her own rate of pay.

Donations, once credited to the bank, are forfeited forever by the donating employee.

In order to donate, an employee must submit a Donation of Accrued Time Credits form to the Human Resources Supervisor for processing.
