AGENDA ITEM

Filling the Volunteer Ombudsperson Role with a Pool of three Qualified Volunteers

GENERAL MANAGER’S RECOMMENDATION

Appoint Lisa Zadek of Half Moon Bay, Kristen Yawitz of Belmont, and Bob Rosenberg of San Jose to serve as a pool of volunteer ombudspersons.

SUMMARY

The District established a volunteer ombudsperson program to facilitate interactions between citizens and the District as required by San Mateo LAFCo during the 2004 annexation of coastal San Mateo County. The Legislative, Funding, and Public Affairs Committee (LFPAC) reviews applicants as vetted by the General Manager and forwards those qualified applicants to the Board of Directors for approval. In the past, only one candidate was selected to serve as the volunteer ombudsperson, in part due to a lack of applicants. The District’s most recent volunteer ombudsperson resigned in August 2016 due to other commitments. The Public Affairs Department, in conjunction with the Visitor Services Department, recruited for a replacement. Three applicants were interviewed and all are highly qualified due to their knowledge of the District and/or their work experience and skills developed from other volunteer positions. Consistent with the requirements of the District’s ombudsperson program, the General Manager recommends creating a pool of three qualified volunteers rather than relying on just one individual.

DISCUSSION

The San Mateo County Local Agency Formation Commission’s (LAFCo) conditions of approval for District annexation of the San Mateo Coast in 2004 included appointment of a District ombudsperson to work as a liaison between District staff and the public to help resolve citizen inquiries and concerns. At its May 26, 2004 Board meeting, the District Board of Directors assigned responsibility for the ombudsperson program to the Legislative, Funding, and Public Affairs Committee (LFPAC). The LFPAC determined that a volunteer program would best serve the District. Since that time, the District has had three individuals serve as ombudspersons at different times. The agreement with LAFCo allows the District to determine the details of the program, and does not limit the District to only one ombudsperson serving at a time, nor does the agreement limit the program to the use of only volunteers. For instance, the District could use an outside service to manage its ombudsperson program. After reviewing the District’s current ombudsperson program, researching other agency ombudsperson programs, and discussing the program with the Peninsula Conflict Resolution Center of San Mateo, staff determined that the
District’s ombudsperson program is best served in its current state by continuing with a volunteer program. The District’s program is focused on facilitating communication and conflict resolution between members of the public and the District, not serving in a professional mediator role. For the rare circumstances in which professional mediation may be required, outside mediation services have been and will continue to be used. The roles, duties, and desired qualification criteria remain the same as adopted by the Board in 2004. In addition to continuing as a volunteer-based program, the General Manager’s recommendation is that the program would be better served by having a pool of ombudsperson volunteers to fully cover the District’s network of preserves and to serve as a backup should one ombudsperson be unavailable. Staff will work with the appointed ombudspersons to determine details for how requests from the public are assigned amongst the three ombudspersons, considering criteria such as geographic location, issue awareness, and availability.

Rosemary Field, the District ombudsperson who served from November 2013 to August 2016, resigned due to other commitments. The position was posted for 30 days on volunteer sites and announced to District volunteers and docents through email. The District received three formal applications and all were interviewed by phone by the Public Affairs Manager.

During phone interviews, all three candidates clearly identified their ability to listen and understand conflicts and had the understanding of typical open space issues that would normally be encountered as part of the ombudsperson role. All were enthusiastic about the position and committed to working in the role of an ombudsperson when requested.

Attached to this report is the adopted description for roles and duties, desired qualification criteria, and applications from the three candidates: Ms. Zadek, Ms. Yawitz, and Mr. Rosenberg.

The General Manager recommends appointing all three applicants to create a pool of qualified District ombudsperson volunteers to best serve the public.

FISCAL IMPACT

There are no fiscal impacts to the District associated with this item.

BOARD COMMITTEE REVIEW

This item was previously reviewed by the Legislative, Financial, and Public Affairs Committee on November 8, 2016 and recommended for full Board consideration.

PUBLIC NOTICE

Public notice was provided as required by the Brown Act.

CEQA COMPLIANCE

This item is not a project subject to the California Environmental Quality Act.

NEXT STEPS
If the Board approves, all three applicants -- Lisa Zadek of Half Moon Bay, Kristen Yawitz of Belmont, and Bob Rosenberg of San Jose -- will be appointed to serve as a pool of volunteer ombudspersons for the District.

Attachment(s)
1. Ombudsperson Program Description
2. Description of Ombudsperson Desired Knowledge/Skills/Abilities
3. Ms. Lisa Zadek’s Application
4. Ms. Kristen Yawitz’s Application
5. Mr. Bob Rosenberg’s Application
6. LFPAC Meeting Minutes from November 8, 2016

Responsible Department Head:
Kevin Woodhouse, Assistant General Manager

Prepared by:
Jenny Villegas, Public Affairs Assistant
OMBUDSPERSON PROGRAM

Role of Ombudsperson
The Ombudsperson is an appointee of the Board of Directors who follows up on resident or neighbor inquiries or complaints for the purpose of attempting to resolve misunderstandings or conflicts that have not been resolved satisfactorily by District staff. The Ombudsperson works independently and objectively to assist in maintaining positive relations with District residents and neighbors.

Duties of Ombudsperson
- Listens to resident concerns
- Opens avenues of communication between residents and neighbors, and the District
- Gathers information and educates residents on District policies or procedures and their purpose or effect
- Facilitates conflict resolution
- Finds other resources to meet resident needs, if applicable
- Provides a written summary of citizen concerns as requested by the Board of Directors

Scope of Duties
The Ombudsperson would assist residents in their interactions with the District and facilitate conflict resolution when needed. The Ombudsperson would not handle issues that are privileged or confidential, or which involve personnel, labor relations, legal matters, or Board decisions. The Ombudsperson would present facts that may lead the Board or staff to improve operations or better address citizen needs, as opposed to advocating either for or against a resident, staff, or Board policy. The Ombudsperson would not establish or recommend District policy, or affect or make fiscal or budgetary decisions.

Assignment and Reporting Responsibilities
If the initial contact from a citizen is the Ombudsperson, the Ombudsperson will contact the General Manager before taking further action. If the General Manager is not able to resolve the concern/complaint to the citizen’s satisfaction, the Ombudsperson will follow up with the citizen for further resolution efforts. If the initial contact from a citizen were a Board Member, the Board Member would immediately contact the General Manager. If the General Manager is not able to resolve the concern/complaint to the citizen’s satisfaction, the General Manager shall inform the citizen of the District’s Ombudsperson process and shall request the Ombudsperson contact the complainant to offer further assistance.
After completing inquiry and resolution efforts the Ombudsperson would then report back to the General Manager and provide a written summary report for the Board at least quarterly.

**Ombudsperson Knowledge/Skills/Abilities**

To be effective in this role, the Ombudsperson should demonstrate the following knowledge/skills/abilities:

- Facilitation and conflict resolution skills
- Ability to listen, understand, and validate others’ points of view
- Familiarity with the District’s mission and purpose and how the District programs fit into the greater region
- Knowledge of local government functions and operations and land and property use issues
- Interviewing skills
- Customer service skills
- Public speaking skills
- Analytic and evaluative skills
- Writing skills- the ability to express clearly and concisely complex issues and positions in writing
- Objectivity and good judgment
- Create credibility as an independent evaluator capable of independent conclusions
- Sense of humor
- Professional demeanor and appearance

Training, education, and/or experience in public administration, management, psychology, public relations, customer relations, investigations, counseling, consulting, teaching, human resources, risk management, related field, or as an elected official would likely provide the required knowledge, skills, and abilities.

**Compensation and Terms of Appointment**

Volunteer status (unpaid), with full reimbursement for Board authorized expenses incurred (per contract). One-year term with the possibility of reappointment annually.

Please indicate why you are interested in serving as Ombudsperson of the Midpeninsula Regional Open Space District.

I have worked for and volunteered for the District since 1996. I have been receiving the Board meeting agendas and reports and review them to keep updated on the District’s activities. I am always recommending the District’s preserves to friends, colleagues, and strangers that I meet. I have enjoyed working as a Nature Center Docent for over 10 years and interacting with the public who come through the center. I believe that I can be an knowledgeable Ombudsperson for the District. The role of the Ombudsperson is very important for both the public and the District. I look at the role of Ombudsperson as my continued support and involvement with the District. I am a very good communicator (written and oral) and resourceful in gathering information to make sound decisions, but I will also ask for assistance or direction as warranted. I think I would enjoy working with the public and the District’s Board in the role as Ombudsperson.

Please list applicable training/education.

- I have taken conflict resolution seminars.

Please describe your community activities and/or work experience you feel would be pertinent/applicable to this position. (Include organizations and your role and time period in which you functioned in that role.)

- David C Daniels Nature Center Docent (MROSD) – since approximately 2002 to present
- Pigeon Point Lighthouse Docent (CA State Parks) – May 2016 to present
- Contract Board Minutes transcriber (Santa Clara Open Space Authority) – 2004–2006

Please indicate why you are interested in serving as Ombudsperson of the Midpeninsula Regional Open Space District. *

I've lived in the mid–peninsula area since 2002, and I've found the open space preserved in our region to be an essential counterbalance to the growth, time and economic pressures here that continue to increase. As those pressures grow, I have sought positive ways to become involved in our region's efforts to maintain its distinctive character, despite growth and other challenges.

My dream is to work on environmental issues in my community, in a deep way. Serving as Ombudsperson of the Midpeninsula Regional Open Space District would be a wonderful opportunity to listen to community concerns, work to resolve conflicts or tensions, and serve MROSD, which has made so many rich experiences of Nature possible for me!

Please list applicable training/education. *

I have studied environmental science and policy in a Master's level program.

I have studied Appreciative Inquiry, which focuses on strengths and how to learn from and apply those to an area of conflict.

I am enrolled in Civics 101, a nine–week program that provides participants with an in–depth look at San Mateo County programs, services and finances.

Please describe your community activities and/or work experience you feel would be pertinent/applicable to this position. (Include organizations and your role and time period in which you functioned in that role.) *

I serve on the Advisory Board of the Friends of Huddart and Wunderlich Parks.

In the course of my career, I have created community outreach programs, taught critical thinking and communications, facilitated workshops for diverse stakeholders, and worked extensively on project planning, organizational development...
and strategic communications.

Since 2013, I've worked as a writing and strategy consultant to Bay Area nonprofits; this role means working independently and objectively, often addressing "pain points" within organizations that staff lack time or resources to fix. I help organizations to assess areas for improvement, and I interface with their clients to obtain first-hand understanding of what's working well or poorly in the organization's current model.

Prior to 2013, I held positions as Director of Strategic Planning and Development, and Director of Communications for GeoHazards International (GHI), as well as Senior Manager of Development at Benetech. My work for GHI required defining strategic priorities and translating priorities into action plans. I moderated international workshops on disaster risk reduction and led outreach communications efforts. At Benetech, I directed fundraising efforts for Miradi, the adaptive management software tool for environmental conservation projects.

I believe that these activities and skills are well suited to meet the demands of the Ombudsperson volunteer position.

Please indicate why you are interested in serving as Ombudsperson of the Midpeninsula Regional Open Space District.

I am retired, so have the time to do this. Also, I volunteer for several other agencies, which I feel indicates that I am a proven resource for this kind of position. Finally, I have a unique skill set (see below) which I think you’ll find will be applicable as well as very helpful to this position.

Please list applicable training/education.

I am an MBA with 30 years in the High Tech industry, primarily as a Materials Director. I was responsible for departments that procured and issued all raw materials that our factory needed to build our products. In that role, I was frequently leading very high dollar and very critical negotiations with suppliers. Beyond my degrees and to further my skills in the area, I've read over 15 college level texts on the subject of negotiating – how to make win/win deals. I was also an ice hockey referee (amateur leagues) for 8 years and over 800 games. This required full knowledge of a 300 page rule book, split second determination of whether an action was a foul or not, and the ability to handle highly emotional hockey players.

Please describe your community activities and/or work experience you feel would be pertinent/applicable to this position. (Include organizations and your role and time period in which you functioned in that role.)

1. Thirty years as a high tech executive, managing multiple departments and the issues and conflicts that are often present in fast paced organizations.
2. Sworn and badged as a volunteer with the San Mateo County Sheriff’s Office of Emergency Services. 10 years.
3. Former Unit Leader of the San Mateo County Volunteer Horse Patrol. Led that group for 5 years before passing the role on to a new leader earlier this year. Still an active member.
4. Equine/Rider assessment volunteer for MROSD, evaluating horses and riders as new trail patrol volunteers. 5 years

IP Address
CALL TO ORDER

Director Cyr called the meeting of the Legislative, Funding and Public Affairs Committee to order at 2:00 p.m.

ROLL CALL

Members present: Jed Cyr, Nonette Hanko, and Curt Riffle

Members absent: None

Staff present: General Manager Steve Abbors, Assistant General Counsel Hilary Stevenson, Legislative/External Affairs Specialist Josh Hugg, and District Clerk Jennifer Woodworth

ORAL COMMUNICATIONS

No speakers present.

ADOPTION OF AGENDA

Motion: Director Hanko moved and Director Riffle seconded to adopt the agenda.

VOTE: 3-0-0

COMMITTEE BUSINESS

1. Approve Legislative, Funding, & Public Affairs Committee Meeting Minutes: August 30, 2016

*Approved by the Legislative, Funding, and Public Affairs Committee on November 15, 2016*
Motion: Director Riffle moved, and Director Hanko seconded the motion to approve the August 30, 2016 Legislative, Funding, and Public Affairs committee meeting minutes.
VOTE: 3-0-0

2. Legislative Briefing (R-16-150)

Legislative/External Affairs Specialist Josh Hugg discussed legislation for the Committee and Board of Directors to consider for possible action for the upcoming 2017 Legislative Session.

These include:

- Correction of a typo in Public Resources Code Section 5544

The Committee by consensus directed staff to pursue legislation to correct the typo.

- Possible increase of Board compensation

Director Hanko requested additional information regarding Board stipends for districts also formed by Public Resources Code Section 5500, under which the District was formed.

Director Riffle suggested bringing the item forward to the full Board of Directors for consideration, including multiple options, such as the amount of compensation per meeting, the number of meetings per month compensated, and whether multiple meetings held on the same day may be compensated.

The Committee discussed the need to notify and work with other open space districts to determine whether they are interested in pursuing a Board compensation increase.

Assistant General Counsel Hilary Stevenson explained Public Resources Code only sets a ceiling for Board members compensation, and individual districts may set their own Board compensation.

The Committee by consensus directed staff to research options for a possible Board compensation increase, and bring the item forward to the Board for consideration.

- Pursuit of a parks bond similar to AB2244 related to the definition used to identify disadvantaged communities. Due to the high cost of living in the Bay Area, many communities have a higher median income, but are disadvantaged or severely disadvantaged as compared to neighboring communities. The suggestion is to use a formula based on county median income as opposed to the state’s median income.

The Committee by consensus directed staff to continue researching the issue and return to the Committee with more information.

- Pursuit of Design-Build Authority for the District related to some of the District’s capital projects.
The Committee by consensus directed staff to continue researching the issue and return to the Committee with more information.

Director Riffle suggested staff research and follow any legislation related to marijuana tax if approved under Proposition 64, including whether the District is eligible for any funds from this tax for District activities such as habitat restoration, enforcement activities, etc. Additionally, staff should follow any progress related to any park bonds that arise and move forward as part of the upcoming Legislative Session and any legislation related to farm labor housing.

3. **Filling the Volunteer Ombudsperson Position with Pool of Qualified Volunteers (R-16-149)**

General Manager Steve Abbors provided the staff report describing the creation of the ombudsperson role following the 2004 Coastal Area Annexation. Mr. Abbors explained in the most recent recruitment three applications were received, and all applicants demonstrate a willingness and capability to serve as the District’s ombudsperson. The involvement of the ombudsperson has diminished over the past couple of year as fewer problems have arisen.

Public comment opened at 2:53 p.m.

No speakers.

Public comment closed at 2:53 p.m.

**Motion:** Director Hanko moved, and Director Riffle seconded the motion to accept the applications of Lisa Zadek of Half Moon Bay, Kristen Yawitz of Belmont, and Bob Rosenberg of San Jose to serve as a pool of volunteer ombudspersons and forward a recommendation for approval to the Board of Directors.

**VOTE:** 3-0-0

**INFORMATIONAL REPORTS**

Director Riffle requested additional information regarding the District’s contract with Public Policy Associates (PPA).

Mr. Hugg reported staff is still determining how his role will work with the District’s lobbyist moving forward.

Mr. Abbors stated the District will most likely pursue a request for proposals process in the coming years when Ralph Heim, the District’s lobbyist at PPA, retires.

The Committee members discussed the need for the District to identify legislators to work closely with the District in the future.

Director Riffle requested an update on the District’s grant program at a future Committee meeting.
ADJOURNMENT

Director Cyr adjourned the meeting of the Legislative, Funding and Public Affairs Committee at 3:04 p.m.
