AGENDA ITEM 8

AGENDA ITEM

Approval of Salary Adjustments and Revised Employment Agreement for Board Appointee
General Manager

BOARD APPOINTEE EVALUATION COMMITTEE'S RECOMMENDATIONS

As a result of the Board's evaluation of the performance of the District's Board Appointees for Fiscal Year 2016-17, the Board Appointee Evaluation Committee recommends the following compensation adjustments for the General Manager for Fiscal Year 2017-18: Increase the General Manager's base salary by 3% to \$255,024, plus a one-time merit pay bonus of \$12,751.

The Board Appointee Evaluation Committee recommends the adoption of a resolution approving the salary adjustments set out in Recommendations and authorizing the Board President to execute a revised Board Appointee Employment Agreement.

DISCUSSION

The Board Appointee Evaluation (BAE) Committee was established to conduct the evaluation process for its Appointees. The BAE Committee was instructed to serve as the District's negotiator and met with the Board Appointees to discuss their performance and compensation. The Board has three appointees: the General Manager, the Controller, and the General Counsel.

The Board, working through the BAE Committee, implemented this process and completed an evaluation of the performance of the General Manager for Fiscal Year 2016-17. The evaluation occurred during several meetings in June through November, 2017.

The Board feels that the District's General Manager's (GM) performance consistently exceeded expectations during this review period. He met or exceeded his performance objectives for the year and had many unplanned accomplishments during the year as well. He continued to work very closely and effectively with the Board and translated the Board's policies and direction into action and accomplishments through the District's staff. He continued to show strong executive leadership through the incredible changes to the District's business model, organizational structure, and operational approach. He developed his staff into a very effective management team which allowed for much faster decision-making as well as provided management depth. He was able to focus more of his time externally on higher-level opportunities with partner organizations, long-term policies, and legislation that will serve the District well into the future.

This was a capstone year for one of the greatest transformations of the District, and the District GM's leadership played a crucial role. As the full implementation of FOSM is now largely in

place and Measure AA projects and funding have been defined with many completed and/or underway, the District is well positioned to continue making significant progress in fulfilling its mission over the next decade.

As the District's current GM prepares for his retirement from the District at the end of 2017, he is leaving the District as a much more capable, versatile, and effective organization that is arguably one of the best open space special districts in the U.S. The Board is grateful for his dedication, vision, professionalism, creativity, and incredible passion for the District's mission throughout his 9+ years as the District's third general manager.

BOARD COMMITTEE REVIEW

The recommended performance review and salary adjustments were thoroughly reviewed by the Board Appointee Evaluation Committee, prior to review by the Board.

FISCAL IMPACT

For the General Manager: Total of the annual salary plus adjustment = \$255,024 with a one-time merit pay bonus of \$12,751.
