Picchetti Ranch Pond
This pond is a seasonal wetland that provides habitat for sensitive wildlife. Help protect this valuable natural resource and practice visitor safety by keeping out of the water and observing the pond and its inhabitants from a distance.

The area within the winery complex has wide dirt roads that can be navigated by most wheelchairs. There is an accessible restroom and a wheelchair lift into the winery. The trails outside the winery complex are not improved for wheelchair access.

In case of emergency, call 911 or 24-hour Ranger Dispatch at (650) 968-4411.

For your safety, and the protection of the preserve:
- The preserve is open from dawn until one-half hour after sunset;
- Please leave natural features, plants, and animals undisturbed;
- Pack it in, pack it out. Please do not litter;
- Auto burglaries are increasing; take valuables with you and lock your vehicle.
